# Argyle golf club covers, set of three

US terms

Finished size
**About 4½ × 13¼ in (11 × 34 cm)**
Driver 14 in (35.5 cm) round and 13¼ in (33.5 cm) tall; fairway wood 11¼ in (28.5 cm) round and 11¾ in (30 cm) tall; hybrid 8½ in (21.5 cm) round and 8¾ in (22 cm) tall, all without the pompoms

Skill
**Intermediate**
Two colors are worked in one round, and it uses post stitches.

Yarn
**Medium (4), 3 colors**

Hook
**5 mm (US H-8)**

Gauge
**17 stitches and 19 rounds to 4 in (10 cm)**
In single crochet.

## You will need

| | |
|---|---|
| Yarn A: navy, stripes | **about 400 yd (366 m), an estimate** |
| Yarn B: sky, stripes | **about 95 yd (87 m), an estimate** |
| Yarn C: cream, stripes | **about 130 yd (119 m), an estimate** |

Fiber: wool

Hook: 5 mm (US H-8), or the size that gives you the gauge. Also: a piece of card 2¼ in (5.5 cm) wide, for the pompoms, a length of scrap yarn in another color, to mark the beginning of the rounds, a stitch marker, a yarn needle and scissors.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

## Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

## Gauge

**17 stitches and 19 rounds to 4 in (10 cm)** in single crochet.

17 stitches and 13 rounds to 4 in (10 cm) in half double crochet, worked in the round. The round and the width in the next lines are for the driver and the fairway wood; the hybrid begins with a smaller circle and is checked after its round 4, as printed there. The rib is counted at the same gauge as half double crochet, smoothed out flat; left alone it draws in. The argyle rounds are counted at the same gauge as plain single crochet.

**Check your gauge on the piece.** Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 6 the top of the driver should measure about 2¾ in (7 cm) across, laid flat and not stretched. If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

## Before you start

- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring, draw up a loop and chain 1 to hold it, which does not count as a stitch. Work round 1 into the ring, then pull the tail to draw the ring closed.
- The rounds are not joined: work in a spiral, and move a marker up to the first stitch of each round.
- Tapestry crochet: where two or more colors share a round, lay the color or colors of that round not in use along the top of the round before and work over them, all the way round, so that they are carried inside the stitches.
- To change color, at the start of a round or inside it, draw the new yarn through as the last yarn over of the stitch before. Where two or more colors share a round, cut nothing at a change: the color you leave is carried. Once a color is no longer in the rounds: where only one or two rounds are worked before it is used again, carry it loosely up the inside; where more are worked, or it is not used again, cut it, leaving a tail of 6 in (15 cm).
- Unjoined rounds lean a little to one side, so the diamonds lean a little too. Keep the carried yarns snug but not tight, so that the fabric stays as wide as the plain rounds.
- Mark the beginning of the rounds for the lines that are sewn later. From the last round before the diamonds to the first round after them, lay a length of scrap yarn between the last stitch of a round and the first stitch of the next, to the front after one round and to the back after the next, so that it runs up through the fabric along the beginning of the rounds. It is drawn out when the lines are sewn.
- A post stitch is worked round the upright of the stitch below, from the front (FP) or from the back (BP), and not into its top.
- Measure round the head of your club the short way, from front to back, at its widest. The covers are for a head of no more than 13½ in (34.5 cm) for the driver, 10¾ in (27.5 cm) for the fairway wood and 8 in (20.5 cm) for the hybrid. The rib of the neck stretches to let the head in and closes again round the shaft.
- Rings: the driver has one ring of C, the fairway wood three and the hybrid four, with a round of A between them. The rib of the neck is 3 rounds of A, then 2 rounds for each ring, the ring of C and a round of A, and then plain rounds of A to the end. The whole rib, the rounds of C among them, is 16 rounds in the driver, 14 in the fairway wood and 12 in the hybrid. For a club of another number work that many rings, and only so many plain rounds of A below them as bring the rib to the same 16, 14 or 12 rounds. This is enough for up to 6 rings on the driver, 5 on the fairway wood and 4 on the hybrid. With more rings than that, end after the round of A below the last ring: the neck is then longer, 2 rounds being about ½ in (1.5 cm), and each round more takes about 5 yd (4.5 m).
- Colors of the driver, round by round. Rounds 1 to 15: A. Rounds 16 to 26: A and B. Round 27: A. Rounds 28 to 38: A and B. Rounds 39 to 45: A. Round 46: C. Rounds 47 to 58: A.
- Colors of the fairway wood, round by round. Rounds 1 to 11: A. Rounds 12 to 22: A and B. Round 23: A. Rounds 24 to 34: A and B. Rounds 35 to 41: A. Round 42: C. Round 43: A. Round 44: C. Round 45: A. Round 46: C. Rounds 47 to 52: A.
- Colors of the hybrid, round by round. Rounds 1 to 10: A. Rounds 11 to 21: A and B. Rounds 22 to 29: A. Round 30: C. Round 31: A. Round 32: C. Round 33: A. Round 34: C. Round 35: A. Round 36: C. Rounds 37 to 38: A.

## Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet, hdc is half treble, sc2tog is dc2tog, FPhdc is front post half treble and BPhdc is back post half treble.

## Assembly

**1.** Sew the lines before the pompoms, in chain stitch with a needle, the cover right side out with its top up. The rounds of diamonds repeat over 12 stitches, and the scrap yarn shows where the rounds begin: the stitch just after it, in the direction you worked, is stitch 1 of the first repeat, and the stitch just before it is stitch 12 of the last repeat. Number the stitches of each repeat 1 to 12 in the direction you worked, which with the top up is from left to right (from right to left if you are left handed). In every repeat stitch 7 is the middle of a diamond, and the one sky stitch at its head and at its foot.

Stitch 1 is the middle of the navy between two diamonds, the one navy stitch where they are widest.

**2.** How a line runs. A line takes one chain stitch for each round and moves one stitch to the side with each. A line that moves forward goes from stitch 1 to stitch 2 of the round above, stitch 3 of the next round and so on, and after stitch 12 to stitch 1 of the next repeat. A line that moves back goes from stitch 1 to stitch 12 of the repeat before, on the round above, then to stitch 11 on the next round up and so on back to stitch 1. So each line goes through the middle of a diamond, then the middle of a navy space, then a diamond again.

**3.** Where a line crosses the scrap yarn. The rounds are a spiral, so at the scrap yarn the last stitch of a round lies level beside the first stitch of the next round, not one above it. Go by the numbers of the rounds there. A line that moves back, from stitch 1 of the first repeat to stitch 12 of the last repeat on the round above, goes straight to the side, to the stitch that lies level beside it: its chain stitch is a flat one. A line that moves forward, from stitch 12 of the last repeat to stitch 1 of the first repeat on the round above, goes one stitch to the side and two stitches up: from the stitch that lies level beside it, count two up. Its chain stitch is a long one. In this way each line has moved on one round and one stitch by the numbers, as everywhere else, and it meets the diamonds in their middles.

**4.** The driver. First the 5 lines that move forward, one from each repeat: begin at stitch 1 of round 39, the plain round below the diamonds, and go up to stitch 2 of round 38, stitch 3 of round 37 and so on. The line passes stitch 7 of round 33, stitch 1 of the next repeat on round 27 and stitch 7 of that repeat on round 21, and ends at stitch 1 of the repeat after it on round 15, the plain round above the diamonds: 24 chain stitches. Then the 5 lines that move back, from the same 5 stitches of round 39: to stitch 12 of the repeat before on round 38, stitch 11 of that repeat on round 37 and so on up to round 15. The two sets cross at every stitch 7 of rounds 33 and 21 and at every stitch 1 of round 27. The scrap yarn is crossed between rounds 39 and 38 and between rounds 27 and 26 by a line that moves back, and between rounds 28 and 27 and between rounds 16 and 15 by a line that moves forward.

**5.** The fairway wood has 4 lines each way, in the same manner, from round 35 up to round 11, 24 chain stitches; the middles of its diamonds are on rounds 29 and 17, and the lines meet at every stitch 1 of round 23. Its scrap yarn is crossed between rounds 35 and 34 and between rounds 23 and 22 by a line that moves back, and between rounds 24 and 23 and between rounds 12 and 11 by a line that moves forward. The hybrid has 3 lines each way, from round 22 up to round 10, 12 chain stitches; the middles of its diamonds are on round 16. Its scrap yarn is crossed between rounds 22 and 21 by a line that moves back, and between rounds 11 and 10 by a line that moves forward.

**6.** For each line cut a length of C, about 40 in (102 cm) long for the driver and the fairway wood and about 24 in (61 cm) for the hybrid. Bring the needle up from the inside in the middle of the first stitch, leaving a tail of 4 in (10 cm) inside. Put it back into the hole it came out of, bring it out in the middle of the next stitch of the line with the yarn lying under its point, and draw up until the loop lies flat: that is one chain stitch, and the next begins inside its upper end. Hold the last loop down with a small stitch over its end, and fasten off on the inside. When all the lines are sewn, draw out the scrap yarn.

**7.** For each of the three pompoms, wind C 100 times round a card 2¼ in (5.5 cm) wide and slip the loops off it. Tie a 12 in (30 cm) length of C tightly round their middle, cut the loops at both ends and trim the pompom to about 2 in (5 cm) across. Sew it to the top of a cover, over the closed ring of round 1, with the two ends of the tie.

## Finishing

- Weave in all the tails on the inside.

In all: 3 pieces; 6,292 stitches (2,934 in the driver, 2,182 in the fairway wood, 1,176 in the hybrid).
