Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 10 the straight edge is about 5.7 in (14.5 cm) long. If yours is shorter, use a larger hook; if it is longer, use a smaller one.

Every size in the list has all its own rows and counts. For a length of your own, stop sooner or go on: even rows have 2 dc in their first place (the ch 3 and the dc in the same st), odd rows have 2 dc in their last place, and the plain dc between them grow by one in every row. The yarns go on in the same order, eight rows of A and then the six thin stripes C, B, C, B, C, B; end with eight rows of A. Each row adds about 0.6 in (1.5 cm) to the straight edge.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- In row 2 the turning ch is the skipped chs at the start of row 1: its top is the one that was next to the hook.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 36 in (91.4 cm) along the straight edge, 20 in (50.8 cm) along the last row and 41.2 in (104.6 cm) along the sloping edge, without the tassels.
- 63 rows: seven rows of yarn A, then six rows of C, B, C, B, C and B, one row to a color, then eight rows of A; the six and the eight by turns from there, and it ends with eight rows of A.
- Laid with its long sloping edge at the top, as the picture shows it, it is about 41.2 in (104.6 cm) across that edge and 17.5 in (44.5 cm) from there down to the square corner.

Instructions

Chosen: Shoulder shawl. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms dc is treble.

Yarns in order of use: A, dusk blue heather; C, cinnamon; B, cream.

Finishing

- Tassels: make 3 of yarn C, about 4.5 in (11.4 cm) long. For each, wind the yarn 24 times round a piece of card 4.5 in (11.4 cm) long, pass a 12 in (30.5 cm) piece of yarn C under the loops at one end of the card and tie it tightly, leaving its ends long. Cut the loops at the other end. Wind another 12 in (30.5 cm) piece of yarn C tightly round the tassel about 0.8 in (2 cm) below the tie, knot it and hide its ends inside. Sew one tassel to each of the three points with its long ends.
- Weave in the ends.

In all: 63 rows; 2,142 stitches; 64 ends to weave in.
