Gauge

16 stitches and 13½ rows to 4 in (10 cm) in half double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25; begin in the 2nd ch from the hook and work 20 rows of half double crochet on 24 sts, about 6 in (15 cm) wide and 6 in (15 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Ribs: worked sideways, 17 rows and 16 sts to 4 in (10 cm), so a rib of 5 sts is about 1¼ in (3 cm) deep. Pants and hat: the rounds have the same gauge as the rows. In the waist, the cuffs and the rib of the hat: 16 sts to 4 in (10 cm); 1 round of double crochet (UK: treble) is about ½ in (1.3 cm) high, 1 round of post stitches about 3/8 in (1 cm). Single crochet (UK: double crochet): about 18.5 rounds to 4 in (10 cm).

Notes

- The finished chest is 3 in (7.5 cm) wider than the body measurement at each size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- The sweater is the pieces from the hem rib to the shoulder band; then come the pants and the hat. One band of stripes, oat, rust and oat, runs around the sweater, its sleeves, the pants legs and the hat.
- The turning chain (ch 1 for single and half double crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- Odd-numbered rows are right side rows. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- A decrease counts as one stitch.
- The ribs are worked sideways in back-loop single crochet (UK: double crochet). The body and sleeves are worked up from a long edge, one stitch in the end of each rib row. The rib draws in: it is a little narrower than the body above it.
- Stitches worked evenly along row ends: about 6 sc in every 5 rows.
- Sew every seam with the yarn needle and yarn A.
- The left shoulder stays open and fastens with two buttons, so that the neck can be small enough to stay on the shoulders and still go over the head.
- The pants and the hat: the rounds are not turned; the right side always faces you. The chain at the start of a round (ch 1 for single and half double crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of the round into the stitch at its base.
- Sew the buttons on firmly, weave the ends in well, and look at them before each wear. The hat is for a baby who is awake and watched; take it off for sleep.
- Color changes in rows: work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again at the same edge after 6 rows or fewer and that edge is straight, carry it loosely up the edge.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again after 6 rnds or fewer, carry it loosely up the inside at the join.
- In back loop only: insert the hook under the loop of the stitch that is farther from you, and leave the nearer loop free.
- It is for a waist of 17½ in (44.5 cm).

Instructions

3-6 months, to fit chest 17 in (43 cm). US terms.

ch chain, **sl st** slip stitch, **sc** single crochet (UK double crochet), **hdc** half double crochet (UK half treble), **dc** double crochet (UK treble), **Rnd** round, **st** stitch, **sp** space.

RS right side, the one that shows, **WS** wrong side, the back.

2 hdc in next st: both in one stitch. **hdc in next 14 sts**: one in each. **ch-1 sp**: the gap under the one chain; the hook goes in the gap.

[ ] 38 times: work what is inside 38 times in all.

(5 sc): the stitches you have when the row is done. **How to read a pattern**.

Special stitches

hdc2tog (half double crochet 2 stitches together (UK half treble 2 together)): [yarn over, insert the hook in the next stitch and pull up a loop] twice (5 loops on the hook); yarn over and pull through all 5 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Assembly

1. Right shoulder: lay the front on the back with right sides together. Sew the 10 sts of the right shoulder of the front (as worn) to the 10 sts at that end of the top edge of the back. The middle 20 sts of the back stay open for the neck, and the 10 sts of the left shoulder stay open too.

2. Neckband: work it now, as written above.

3. Shoulder band: work it now, as written above.

4. Left shoulder: lay the shoulder band of the front over the top of the left shoulder of the back, so that the top edge of the back lies right under the line where the band begins, and the band covers about the last 2 rows of the back; this line is the left shoulder line. Sew the two together with a few stitches at the armhole edge. There the left sleeve is sewn through both. Mark the place under each loop on the back and sew the 2 buttons there with the sewing thread. The buttons must hold a child's pull: sew each one on, fasten the thread off, and sew through it a second time with a new thread. A loose button is a danger to a baby: see that each one is firm before every wear.

5. Sleeves: at the right shoulder the shoulder line is the seam; at the left shoulder it is the line where the shoulder

band begins, with the top edge of the back right under it. Count 14 rows (4 in (10 cm)) down from the shoulder line on each side edge of the body, front and back, and place a marker there; the rows of the band and of the neckband are not counted. This is half the top edge of the sleeve. With right sides together, put the middle of the top edge of a sleeve at each shoulder line and sew the top edge to the body between the markers; at the left shoulder sew through the band and the back together where they lie one on the other.

6. Sides and sleeves: sew each side seam from the marker down to the hem, and each sleeve seam from the underarm to the cuff edge.

7. Pants cord: rnd 3 of the pants body has 38 spaces, counted from the join, at the middle of the back; the middle of the front lies between spaces 19 and 20. Go in at space 20 from the outside, come out at the next space, and so on, in and out, around to space 19, where the cord comes out again. Knot each end of the cord and weave its yarn end into the knot. Draw the waist in until it sits well, and tie a bow.

8. See that the waist still pulls on over the diaper (UK: nappy), then sew the bow and the two ends of the cord flat to the waist with a few stitches of yarn, so that nothing hangs loose; snip these stitches when the waist is to be let out.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

In all: 7 pieces.
