Yarn B: turquoise, curls — **about 90 yd (82 m), an estimate**
Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.
To work on: a finished rectangle of 21 stitches by 22 rows of single crochet, already made. It is written out under Instructions. Its yarn is not in the amount above.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. For another length of edge, the yarn for a side is in proportion to its length.

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 1 the top edge of the size printed below, measured between its two corner stitches and not counting them, is about 6.5 in (16.5 cm). If the edge ruffles, work the round again with a smaller hook; if it pulls in, with a larger one; keep the number of stitches.

To fit your own piece, work round 1 so that the stitches between two corner stitches are a multiple of 6 plus 3 (9, 15, 21, 27 and so on) on every side; work 2 single crochet in one stitch to gain a stitch or skip one to lose it, spread along the side. Take 3 from that number and divide by 6: that is n (here 21 less 3, divided by 6, so n is 3). Then, for every side, in round 2 the repeat along each side, here worked 6 times, is worked 2 × n times. The long repeat in outer brackets, worked 3 times for the other three sides, does not change. On an oblong piece the two longer sides have an n of their own: work each side by its own n. ROUND A BABY BLANKET: the piece is 99 stitches by 113 rows: ch 100 to begin, row 1 ends with 99 sc, and rows 2 to 113 are worked in next 99 sts (99 sc). For the gauge, the 99 stitches between two corner stitches of round 1 are about 30.5 in (77.5 cm). Round 1: 97 sts, not 19, the bracket along the row ends 16 times, not 3, 97 chs, not 19; the round ends with 400 sc. Round 2: the bracket along a side 32 times, not 6; the round ends with 408 sc, 136 curls. Yarn for the edging: A about 35 yd (32 m), B about 375 yd (343 m). ROUND A THROW: the piece is 159 stitches by 183 rows: ch 160 to begin, row 1 ends with 159 sc, and rows 2 to 183 are worked in next 159 sts (159 sc). For the gauge, the 159 stitches between two corner stitches of round 1 are about 48.9 in (124.2 cm). Round 1: 157 sts, not 19, the bracket along the row ends 26 times, not 3, 157 chs, not 19; the round ends with 640 sc. Round 2: the bracket along a side 52 times, not 6; the round ends with 648 sc, 216 curls. Yarn for the edging: A about 55 yd (50 m), B about 575 yd (526 m).

Before you start

- Corner stitch: the middle one of the 3 single crochet in a corner. A round that begins with 2 sc and ends with 1 sc in the same first stitch makes its first corner of those 3 sc, and its corner stitch is the first sc of the round. In rounds after the first, "first st" means the first stitch of the round below.
- Along the row ends, round 1 takes 6 stitches to every 7 rows and one more at the end.
- The foundation edge is the underside of the starting chain: work into what each chain has left free.
- A ch 1 at the start of a round does not count as a stitch.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Every round is worked with the right side facing; do not turn.

- When the next round begins with "Join", fasten off the yarn you have at the end of the round (cut it, leaving a tail of about 6 in (15.2 cm), and draw the tail through the last loop). Then join the yarn named with a slip stitch in the place named.
- The piece is 21 stitches by 22 rows of single crochet, about 6.5 in (16.5 cm) by 5.9 in (15 cm); with the border on it is about 7.5 in (19.1 cm) by 6.9 in (17.5 cm), measured without the curls, which hang about 1.4 in (3.6 cm) farther out all round.
- The amounts of yarn are for the edging alone. If you work the piece too, it takes about 40 yd (37 m) more of yarn A, an estimate worked out in the same way (462 single crochet and 43 chains, with 30 percent added), and leaves 2 more ends.
- With the right side facing you and the last row at the top, the first st is the one at the right-hand end of the last row (the left-hand end if you are left handed). Round 1 goes along the top, down the row ends of the next side, along the foundation edge and up the row ends of the last side.
- Round 1 leaves 21 stitches between two corner stitches on every side.

Instructions

Chosen: Round a small cloth. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and sc is double crochet.

Yarns in order of use: A, the color of your piece; B, turquoise.
