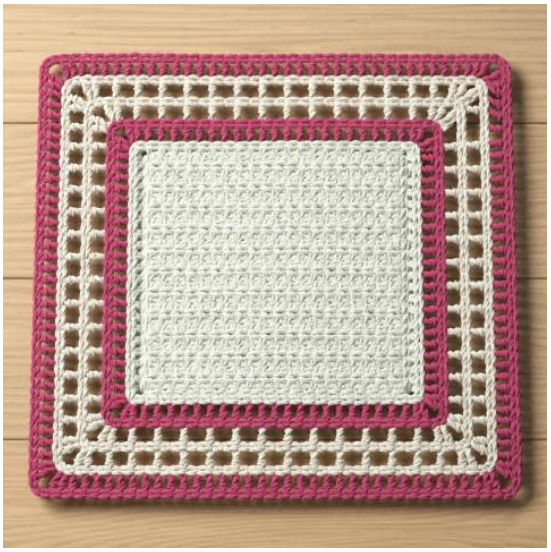
Filet mesh border

Round a small cloth · US terms



Finished size
Stands out about 2½ in (6 cm)
About 11½ × 11 in (29 × 28 cm) with a finished rectangle of 21 stitches by 22 rows of single crochet

Skill
Easy
Double crochet, mesh, chain corners

Yarn
Medium (4), 3 colors

Hook
5.5 mm (US I-9)

Gauge
13 stitches and 15 rows to 4 in (10 cm)
In single crochet.

You will need

Yarn A: the color of your piece, round 1	**about 10 yd (9 m), an estimate**
Yarn B: raspberry, solid rounds	**about 40 yd (37 m), an estimate**
Yarn C: cream, mesh	**about 25 yd (23 m), an estimate**

Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.

To work on: a finished rectangle of 21 stitches by 22 rows of single crochet, already made. It is written out under Instructions. Its yarn is not in the amount above.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. For another length of edge, the yarn for a side is in proportion to its length.

Sizes

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 1 the top edge of the size printed below, measured between its two corner stitches and not counting them, is about 6.5 in (16.5 cm). If the edge ruffles, work the round again with a smaller hook; if it pulls in, with a larger one; keep the number of stitches.

To fit your own piece, work round 1 so that the stitches between two corner stitches are a multiple of 6 plus 3 (9, 15, 21, 27 and so on) on every side; work 2 single crochet in one stitch to gain a stitch or skip one to lose it, spread along the side. Take 3 from that number and divide by 6: that is n (here 21 less 3, divided by 6, so n is 3). Then, for every side, in round 2 "next 21 sts" is 6 × n + 3; in round 3 the repeat along each side, here worked 12 times, is worked 3 × n + 3 times; in round 4 the repeat along each side, here worked 13 times, is worked 3 × n + 4 times; in round 5 the repeat along each side, here worked 15 times, is worked 3 × n + 6 times. The long repeat in outer brackets is worked 3 times, as printed, when all four sides have the same n. If your piece is longer than it is wide, its long sides and its short sides have a different n: work it out for each. The lines are written as one side and then, in the outer brackets, the corner and the side that follow it; where the brackets say 3 times, work what is in them once for each of the other three sides, with the n of that side. On an oblong piece the two longer sides have an n of their own: work each side by its own n. ROUND A BABY BLANKET: the piece is 99 stitches by 113 rows: ch 100 to begin, row 1 ends with 99 sc, and rows 2 to 113 are worked in next 99 sts (99 sc). For the gauge, the 99 stitches between two corner stitches of round 1 are about 30.5 in (77.5 cm). Round 1: 97 sts, not 19, the bracket along the row ends 16 times, not 3, 97 chs, not 19; the round ends with 400 sc. Round 2: 99 sts, not 21; the round ends with 412 dc, 4 ch-2 sps. Round 3: the bracket along a side 51 times, not 12; the round ends with 220 dc, 4 ch-2 sps, 208 ch-1 sps. Round 4: the bracket along a side 52 times, not 13; the round ends with 228 dc, 4 ch-2 sps, 216 ch-1 sps. Round 5: the bracket along a side 54 times, not 15; the round ends with 460 dc, 4 ch-2 sps. Yarn for the edging: A about 35 yd (32 m), B about 125 yd (114 m), C about 75 yd (69 m). ROUND A THROW: the piece is 159 stitches by 183 rows: ch 160 to begin, row 1 ends with 159 sc, and rows 2 to 183 are worked in next 159 sts (159 sc). For the gauge, the 159 stitches between two corner stitches of round 1 are about 48.9 in (124.2 cm). Round 1: 157 sts, not 19, the bracket along the row ends 26 times, not 3, 157 chs, not 19; the round ends with 640 sc. Round 2: 159 sts, not 21; the round ends with 652 dc, 4 ch-2 sps. Round 3: the bracket along a side 81 times, not 12; the round ends with 340 dc, 4 ch-2 sps, 328 ch-1 sps. Round 4: the bracket along a side 82 times, not 13; the round ends with 348 dc, 4 ch-2 sps, 336 ch-1 sps. Round 5: the bracket along a side 84 times, not 15; the round ends with 700 dc, 4 ch-2 sps. Yarn for the edging: A about 55 yd (50 m), B about 190 yd (174 m), C about 115 yd (105 m).

Before you start

- Corner stitch: the middle one of the 3 single crochet in a corner. A round that begins with 2 sc and ends with 1 sc in the same first stitch makes its first corner of those 3 sc, and its corner stitch is the first sc of the round. In rounds after the first, "first st" means the first stitch of the round below.
- Along the row ends, round 1 takes 6 stitches to every 7 rows and one more at the end.

- The foundation edge is the underside of the starting chain: work into what each chain has left free.
- The ch 3 at the start of a round counts as a dc.
- A ch 1 at the start of a round does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Where a chain space is the next place named, pass over any stitches that stand before it and leave them unworked.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Every round is worked with the right side facing; do not turn.
- When the next round begins with "Join", fasten off the yarn you have at the end of the round (cut it, leaving a tail of about 6 in (15.2 cm), and draw the tail through the last loop). Then join the yarn named with a slip stitch in the place named.
- "Any corner" means any one of the four corner spaces: with the same number of stitches on every side, as in the sizes printed here, the round comes out the same from each of them. On a piece of your own with longer and shorter sides, begin every round in the same corner as round 2. Begin in that space and work along the side to its left, the way you always go (to its right if you are left handed).
- The piece is 21 stitches by 22 rows of single crochet, about 6.5 in (16.5 cm) by 5.9 in (15 cm); with the border on it is about 11.6 in (29.5 cm) by 11 in (27.9 cm).
- The amounts of yarn are for the edging alone. If you work the piece too, it takes about 40 yd (37 m) more of yarn A, an estimate worked out in the same way (462 single crochet and 43 chains, with 30 percent added), and leaves 2 more ends.
- With the right side facing you and the last row at the top, the first st is the one at the right-hand end of the last row (the left-hand end if you are left handed). Round 1 goes along the top, down the row ends of the next side, along the foundation edge and up the row ends of the last side.
- Round 1 leaves 21 stitches between two corner stitches on every side.

Instructions

Chosen: Round a small cloth. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Yarns in order of use: A, the color of your piece; B, raspberry; C, cream.
