Gauge

18 stitches and 9½ rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 2 the edge you have just worked, measured along its curve, is about 20.2 in (51.3 cm) long. If yours is shorter, use a larger hook; if it is longer, use a smaller one.

Before you start

- A flower is worked whole after the stitch before it and uses no stitch of the row: go on with the next sc beside it.
- Row 1 is a right side row. Each row from row 2 on begins with a chain and a turn of the work, as printed; the work is turned nowhere else.
- The ch 3 at the start of a row counts as a dc and stands on the first stitch, so "next st" after it is the second stitch of the row below. The last dc of the next row goes into the top of this chain. In row 2 that is the skipped chains at the start of row 1: their top is the one that was next to the hook.
- A ch 1 at the start of a row does not count as a stitch; the first stitch of the row goes into the first stitch of the row below.
- Where several stitches have one place after them, as in "2 dc in next st", they all go into that one place.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color at every change, leaving a 6 in (15.2 cm) tail, and begin the new color with a new end; nothing is carried along the edge.
- Laid flat the collar is the greater part of a ring, about 10.2 in (25.9 cm) across. Its neck edge (the foundation edge) is about 16.2 in (41.1 cm) along the curve, its outer edge about 24.2 in (61.5 cm) along the curve, and it is about 1.7 in (4.3 cm) deep from the neck edge to the last row before the flowers; the single crochet and the flowers of row 5 stand out about 1.1 in (2.8 cm) more.

Instructions

Chosen: Adult. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and dc is treble.

Yarns in order of use: A, sage cotton; B, white cotton.

Assembly

1. Flower centers: each is a French knot, a small knot wound on the needle. For each of the 18 flowers thread the yarn needle with a piece of yarn C about 10 in (25.4 cm) long. Bring the needle up from the back through the foot of one petal, close beside the ring in the middle of the flower, and draw the yarn through, leaving 3 in (7.6 cm) at the back. Wind the yarn three times round the needle, close to the flower. Take the needle down on the far side of the ring, between the two petals opposite, hold the turns down with a fingertip and draw the yarn through them to the back: the knot now lies across the ring. Tie the two ends of the piece together at the back and weave them in.

2. Ties: work them last. At one end of the neck edge (the foundation edge) join yarn A with a sl st in the corner, ch 55, which is about 12.2 in (31 cm) at the gauge of the collar, fasten off and leave a short tail; do the same at the other end of the neck edge. Tie them in a bow at the back of the neck or at the front.

Finishing

- Weave in the ends.

In all: 5 rows; 491 stitches; 44 ends to weave in.
