Gauge

13 stitches and 7 rounds to 4 in (10 cm) in double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 22; begin in the 3rd ch from the hook and work 10 rows of double crochet on 20 sts, about 6¼ in (16 cm) wide and 5¾ in (14.5 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large.

Before you start

- Women's sizes.
- A poncho hangs free and is measured by its neck and its depth. Choose by the depth you like; no fit is promised beyond the measurements given.
- The rounds are not turned; the right side always faces you.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF.

- The ch 2 at the start of a round (in single crochet the ch 1) never counts as a stitch. In rnd 1, and in the neck edging, work the first stitch of the round into the chain or stitch at its base, where the round was joined. From rnd 2 on, each round of the poncho begins with slip stitches over the next 2 dc and into the ch-1 sp after them; the first 3 dc of the round go into that same space.
- In rnd 1 each chain of the ring is worked as a stitch. The rounds begin and end a few groups before the first ch-2 sp: this ch-2 sp is the point of the back, and the other is the point of the front. The chain spaces are counted apart from the stitches.
- The neck has no opening and goes on over the head. Make the foundation chain and the rounds at the neck loosely, with a hook one size larger if you need it, and see that the chain goes over the head before you go on.
- The depths are measured on the poncho itself, from the foundation chain: the neck edging is outside them.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rnds, carry it loosely up the inside at the join.

Instructions

Chosen: Size M. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
