Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

ch	chain
sl st	slip stitch (UK ss, slip stitch)
sc	single crochet (UK dc, double crochet)
dc	double crochet (UK tr, treble)
st	stitch
rnd	round
RS	right side
BLO	back loop only: of the two loops at the top of the stitch, work under the one farther from you

Special stitches

dc2tog (double crochet 2 together): Yarn over, insert the hook in the next st, draw up a loop, yarn over, draw through 2 loops; do the same in the st after it; yarn over and draw through all 3 loops on the hook. It makes 1 st of 2. It leaves 1 dc for the next row.

puff (puff stitch): [Yarn over, insert the hook in the st, yarn over and draw up a long loop] 4 times in the same st, yarn over and draw through all 9 loops on the hook. It counts as 1 st; the top of the puff is the st of the next line. It leaves 1 puff for the next row.

Gauge

16 stitches and 18 rounds to 4 in (10 cm) in single crochet.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one. To check it as you go: after the last round of the sole, the sole is about 4½ in (11.5 cm) long and about 1¾ in (4.5 cm) wide.

Before you start

- Measure the foot from the back of the heel to the tip of the longest toe and choose the size with the nearest foot length.
- The pattern makes a pair. The foot length is the length of the foot; the finished sole is about as long.
- The piece is worked from the sole up in one spiral: the rounds are not joined. Put a marker in the first stitch of each round and move it up every round.
- The right side always faces you and the work is not turned, except where a line says so.
- To change color, work the last stitch before the change until its last loops are on the hook, then draw the new color through them. A color that comes back within 4 rounds can wait on the inside and be drawn up again; cut any other, leaving a tail of 6 in (15 cm).
- The figures in brackets at the end of a line are the stitches it has.

Instructions

Chosen: 6 to 12 months, foot 4½ in (11.5 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
