Special stitches

picot: Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 9.7 in (24.6 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size work the triangle 6 rows longer, or 12 and so on, in the same order (rows 3, 7, 11 and every fourth row after that are eyelet rows), and then the six border rows: 6 rows add about 9.7 in (24.6 cm) to the top edge of the triangle and about 4.8 in (12.2 cm) to its depth, and 24 dc to each half, which are 4 loops of ch 7. The brackets of the row of loops are then worked 4 times more in each half, the bracket of a row of leaves, which runs over both halves, 8 times more, and the brackets of the rows between the leaves 4 times more in each half.

Before you start

- Eyelets: in an eyelet row the ch 1 passes over one dc of the row below. In the row after it there is one dc in every ch-1 sp and one on every dc.
- A leaf is (hdc, 2 dc, 2 tr, ch 2, 2 tr, 2 dc, hdc), with a sc on each side of it; the ch-2 sp is its tip. In the third row of leaves the tip is a picot instead of the ch 2. A leaf of the first row goes into one ch-7 sp. A leaf of the second and the third row has its hdc and 2 dc in a ch-3 sp, its tr on the tall stitch in the middle and its 2 dc and hdc in the next ch-3 sp; the sc goes into the sc between two such places.
- The row before the second and the third row of leaves stands behind them: a sc in the tip of every leaf below, and a tr in the sc between two leaves. "Sk next 5 sts" passes over one half of a leaf: hdc, 2 dc and 2 tr. At the point (sc, ch 3, dc, ch 3, sc) goes into one tip, so that a leaf comes there too. (Where a row reads "next ch-2 sp", it is the tip of the next leaf.)
- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.

- About 47.9 in (121.7 cm) across at the widest, with the border, and 25.7 in (65.3 cm) deep down the middle, with the leaf at the point. The eyelet triangle alone is about 42 in (106.7 cm) across its top edge.
- 32 rows: the triangle is rows 1 to 26, with eyelets in row 3, row 7, row 11, row 15, row 19 and row 23. Rows 27 to 32 are the border: row 27, loops in yarn A; row 28, the first leaves, in yarn B; rows 29 and 30, the second leaves, in yarn C; rows 31 and 32, the third leaves, in yarn D.
- Leaves: 35 in the first row of leaves, 37 in the second and 39 in the third, always with one at the point.

Instructions

Chosen: Full shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble, dc is treble and tr is double treble.

Yarns in order of use: A, moss green; B, rust; C, gold; D, dark olive.
