What you need

Yarn A: red, main color	**about 15 yd (14 m), an estimate**
Yarn B: green, contrast	**about 15 yd (14 m), an estimate**
Yarn C: white, contrast	**about 15 yd (14 m), an estimate**

By weight: about 25 g in all, an estimate, where 100 g is 200 yd (183 m).

Hook: 4 mm (US G-6), or the size that gives you the gauge. Also: a stitch marker, a yarn needle and scissors.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge.

Gauge

16 stitches and 18 rounds to 4 in (10 cm) in single crochet.

Lay a mitten flat after Rnd 3: it is about 1½ in (4 cm) across.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Notes

- Each mitten is worked from the cuff to the tip in one spiral: the first sc goes into the ch that holds the sl st, and the rounds are not joined. Put a marker in the first stitch of each round and move it up every round.
- The right side faces you in every round.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- To change color, work the last stitch before the change until its last loops are on the hook, then draw the new color through them. A color that rests for 4 rounds or fewer can wait on the inside and be drawn up again; cut one that rests longer, leaving a tail of 6 in (15 cm).
- The figures in brackets at the end of a line are the stitches it has.
