## Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

| | |
|---|---|
| **ch** | chain |
| **sc** | single crochet (UK dc, double crochet) |
| **BLO** | back loop only |
| **st** | stitch |
| **rnd** | round |
| **RS** | right side |
| **MR** | magic ring |

### Special stitches

**sc2tog (single crochet 2 together):** Pull up a loop in each of the next 2 stitches, yarn over and pull through all 3 loops: 1 stitch decreased. It leaves 1 single crochet for the next row.

## Gauge

**15 stitches and 16 rounds to 4 in (10 cm)** in single crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower.

The pattern also stops you to measure after round 8.

**Check your gauge on the piece.** Begin the pattern and measure the piece itself as you go. After round 12, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 13¾ in (35 cm) round.

## Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- The rounds of the hat are worked in a spiral: do not join; put a marker in the first stitch of each round and move it up every round.
- The ears are begun with a magic ring like the hat and worked in a spiral: no chain at the start of a round and no slip stitch at its end; put a marker in the first stitch of each round and move it up every round. The right side faces you.
- Back loop only: of the two loops at the top of a stitch work under the one that lies farther from you as you work.
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.

- Whip stitch: hold the two edges together and sew them over and over, the needle always going in from the same side, through one stitch of each edge at a time.
- Baby, 3 to 6 months: for a head of 15 in (38 cm). The finished hat is about 13¾ in (35 cm) round and about 5¾ in (15 cm) deep.

## Instructions

Chosen: Baby, 3 to 6 months, head 15 in (38 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.

### Inner ear: make 2

**Yarn B, pink.**

| | | |
|---|---|---|
| ☐ **Foundation** | Ch 15, leaving a tail of 6 in (15 cm) before the first chain. | |
| ☐ **Row 1 (RS)** | Sc in 2nd ch from hook and in each ch across | **(14 sc)** |
| ☐ **End** | Fasten off, leaving a tail of 25 in (64 cm) for sewing. | |

### Assembly

**1.** Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

**2.** Before an ear is closed, pull the ring at its tip tight once more and weave in its ends on the inside of the ear, all but the long sewing tail. Then flatten each ear and close it across the open end with whip stitch.

**3.** Lay an inner ear, its right side up, on one face of each closed ear, midway between the two sides of the ear, its lower end level with the closed end. Sew it down all round through that face only and hide its ends under it. That face is the front of the ear.

**4.** Lay the hat flat with the place at its lower edge where its last round begins at the middle of the back, the center of the top at the middle of the upper fold: the fold on each side is then the side of the hat. Pin the ears along the line that runs from side to side over the center of the top, one on each side of the center of the top, their inner ends about 2½ in (6 cm) apart, the inner ears to the front, and sew both sides of the closed edge of each ear to the hat, along its front and then along its back, so that it stands up.

## Finishing

- Weave in every end on the inside of the hat.

In all: 5 pieces; 1,502 stitches (996 in the hat, 239 in each ear, 14 in each inner ear); 12 ends to weave in.
