Special stitches

FPdc (front post double crochet; UK FPtr): Worked on right side rows: yo, insert the hook from front to back to front round the post (the upright part) of the stitch, yo and pull up a loop, (yo and draw through 2 loops) 2 times. It leaves 1 FPdc for the next row.

BPdc (back post double crochet; UK BPtr): Worked on wrong side rows: yo, insert the hook from back to front to back round the post of the stitch, yo and pull up a loop, (yo and draw through 2 loops) 2 times. It pushes the stitch out on the right side. It leaves 1 BPdc for the next row.

Gauge

15 stitches and 8 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the piece, laid flat and measured from the ring straight out to the last row, is about 3 in (7.6 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For a shoulder shawl a little deeper, work rows 41 and 42 once or twice more before the last four rows: the stitches stay the same, every two rows add about 1 in (2.5 cm) to the depth and about 2 in (5.1 cm) to the top edge, and the last fourteen eyes lie a little farther apart.

Before you start

- The ground is a mesh: dc with a ch 1 between two of them. A stem is one post stitch, worked round the post of the stem of the row below: FPdc on right side rows and BPdc on wrong side rows, so that it always stands out on the right side. The first stitch of a stem is worked round a plain dc: in row 4 round the 2nd, 4th, 6th, 8th, 10th, 12th and 14th dc of row 3, in row 23 round a dc of row 22, in every later tier in its third row round a dc of its second row. Keep the stems at the loose gauge of the mesh.
- An eye, in three rows: the 7 dc of the first row all go into the top of one stem stitch; the two rows after it are worked into the dc of the shell below. The skip of two, three or four stitches in front of the 7 dc, and the one after them, passes over dc of the mesh and over the ch-1 spaces between and beside them.
- The row after the eyes makes the edge even again: its tall stitches stand in the dips between two eyes and its short ones on top of the shells. "Sk next st" there passes over one dc of the gold shell. The ch 5 at its start counts as a tr and a ch-1 sp, and the last stitch of the next row goes into its 4th chain. Between two eyes, "tr in next st" after "sk next ch-2 sp" goes into the sc.
- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row, so "next st" right after it is the second stitch.
- The ch 4 at the start of a row counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row, so "next st" right after it is the second stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Where several stitches have one place after them, as in "2 dc in next st", they are all worked into that one place.
- What is in square brackets is worked as many times as the number after them says, in all.

- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 43.8 in (111.3 cm) across the straight top edge and 21.9 in (55.6 cm) deep from the ring to the tips of the gold shells. The fronds hang about 1 in (2.5 cm) lower.
- 46 rows in three tiers. First tier: rows 1 to 18 with yarn A, then seven eyes: row 19 with yarn B, row 20 with yarn C and row 21 with yarn D. Second tier: rows 22 to 30 with yarn A, then fourteen eyes: row 31 with yarn B, row 32 with yarn C and row 33 with yarn D. Third tier: rows 34 to 42 with yarn A, then fourteen eyes: row 43 with yarn B, row 44 with yarn C and row 45 with yarn D. Row 46, the fronds, is in yarn A.
- The mesh begins in row 3; row 2 is all dc. The mesh grows in rows 7, 12, 17 and 26, where a dc goes into the ch-1 sp on each side of every stem. In all the other mesh rows the stitches stand over those of the row below.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble, dc is treble, tr is double treble and yo is yarn over hook.

Yarns in order of use: A, emerald; B, navy; C, turquoise; D, gold.
