Hook: 5.5 mm (US I-9). Also: yarn needle, scissors, tape measure and pins.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: in one spare yarn work a center square and measure it, mark the yarn where it begins and ends, pull it out and measure the yarn it took; divide by the area of the piece and multiply by the area of the blanket. That is the yarn of the stitches, all the colors together: add 6 in (15 cm) for each end to weave in, and some to spare.

Gauge

13 stitches and 11 rows to 4 in (10 cm) in half double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The center is the test piece: it should come to about 3.7 in (9.4 cm) square.

Before you start

- The blanket grows from a small square at the center. Each log is 10 rows worked along one side of what is already there; then the piece is given a quarter turn to the right and the next log goes along the next side, round and round.
- The ch 2 at the start of a row does not count as a stitch: the first stitch of the row goes into the very st it rises from. Row 1 of every log is a right side row.
- Begin each log with a slip knot on the hook and a slip stitch in the very first place of the edge, at its right-hand end, then ch 2. The slip stitch does not count: the first hdc of row 1 goes into that same first stitch, chain or row end.
- Along row ends, work into the side of the stitch at the end of each row, two in the first and one in each of the next four, so that ten rows take twelve stitches and the edge lies flat.
- Cut the yarn at the end of every log, leaving a tail of about 6 in (15 cm). Leave a tail of the same length where the center and every log begin. Weave them all in when the last log is done.
- This size has a center and 24 logs, 6 on each side, and 50 ends to weave in.
- To make it larger than this, go on adding logs. The next eight would be: D for log 25, B for log 26, H for log 27, I for log 28, E for log 29, C for log 30, J for log 31, F for log 32; stop after a fourth log, when all four sides have one more. The yarn listed is for this size only.

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms hdc is half treble.

Finishing

- Weave in the ends: each end into stitches of its own color, on the wrong side, turning back once.
- Pin the blanket square, steam it lightly or lay a damp cloth on it, and let it dry flat.
- This blanket has no border, and every size given here is without one.

In all: 25 pieces; 20,280 stitches; 50 ends to weave in.
