Special stitches

picot: Ch 3, sl st in 3rd ch from hook. It leaves It leaves a small loop standing on the stitch before it. for the next row.

Gauge

17 stitches and 8½ rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 8 in (20.3 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The shoulder shawl has 27 rows of loops and the full shawl 36; each is printed in full when it is chosen. For a size between or beyond them, work three rows of loops more or fewer, so that the shells fit: in a row number n the bracket of each half is worked n - 2 times. Three rows add about 4 in (10.2 cm) to the top edge. The first row of the band then has 4 dc in each of its loops as before, the second has 12 more or 12 fewer dc in each of its long runs, and each half of the shell row has 2 more or 2 fewer shells.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- The ch 5 at the start of a row counts as a dc and a ch-2 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 40.2 in (102.1 cm) across the top edge and 20.1 in (51.1 cm) deep.
- 27 rows of chain loops in yarn A, two rows of double crochet in yarn B and one row of shells in yarn C.
- A loop is a ch-5 sp: work the next single crochet under the whole chain. The (dc, ch 2, dc) in the middle of rows 1 to 27 is the center: in row 1 it is worked in the ring, in every later row in the ch-2 sp between the two center dc of the row below. The centers of rows 28 to 30 are printed in those rows; each goes into the ch-2 sp at the center of the row below.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, blush rose; B, raspberry; C, cream.
