Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 10 the piece, laid flat and patted out so that its fans stand as half circles, is about 5.2 in (13.2 cm) from the ring straight up to the last row, and row 10 is about 11.4 in (29 cm) from its first dc to its last. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size work two rows more or fewer before the two rows of sc, beginning with a row of fans and ending with a row of V-stitches: every row of fans has one fan more than the row of fans before it, so the long brackets of either row are worked one time more. The five colors share the rows equally, eight rows of each in the shoulder shawl and ten in the full shawl, in the order A, B, C, D, E from the point up; two rows more or fewer are two rows of yarn E more or fewer, and the two rows of sc are in yarn E. Two rows add about 2.2 in (5.6 cm) to the top edge and about 1 in (2.5 cm) to the depth. The first of the two rows of sc has its brackets as many times as the last row of fans has fans, and leaves 7 sc for every fan and 4 more.

Before you start

- A fan is nine tr with a ch 1 between two of them. The ch 5 at the start of a row of fans counts as the first tr of the first fan and a ch-1 sp, and stands on the last dc of the row below; the last tr of the row goes into the 3rd chain, counted from the bottom, of the chain the row below began with. All the other tr of a fan go into one ch-4 sp.
- In a row of V-stitches "sk next 3 sts" and "sk next 4 sts" pass over tr, and over the ch-1 sps between and beside them: the sc goes into the 5th tr of a fan, its middle one, and a V-stitch, (dc, ch 4, dc), goes into the sc between two fans. In a row of fans the sc goes into the sc on top of a fan; "sk next st" is a dc of a V-stitch.
- A fan takes the width of seven sc: its 9 tr and the ch 1 between them stand in a half circle, and the chs of the next row lie in arches over it, so there are more stitches and chs in those rows than in an edge of sc of the same width. The top edge has 7 sc for every fan and lies flat.
- A ch 1 at the start of a row does not count as a stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 44.3 in (112.5 cm) across the top edge and 20.6 in (52.3 cm) deep.

- 42 rows: 20 rows of fans, the odd rows, from one fan in row 1 to 20 fans in row 39, each with a row of V-stitches after it, and two rows of sc along the top edge, 144 sc: at 13 sc to 4 in (10 cm) that is the width.
- Yarn A: rows 1 to 8. Yarn B: rows 9 to 16. Yarn C: rows 17 to 24. Yarn D: rows 25 to 32. Yarn E: rows 33 to 42.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, brick red; B, terracotta; C, apricot; D, peach; E, cream.
