Single and double row scarf

Standard · US terms

Finished size
About 7 × 60¼ in (18 × 153 cm)

Skill
Beginner
Basic stitches worked into stitches, with a turning chain

What you need
Medium (4) yarn, any color: about 350 yd (320 m), an estimate
By weight: about 180 g, an estimate, where 100 g is 200 yd (183 m).

Hook: **5.5 mm (US I-9)**

Yarn needle, scissors and tape measure

Gauge

13 stitches and 9½ rows to 4 in (10 cm) in single and double crochet rows.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

To count your gauge in the middle of the test piece: 13 stitches side by side are about 4 in (10 cm) wide, and 10 rows are about 4¼ in (10.5 cm) tall.

The pattern also stops you to measure after row 8.

> **The swatch.** This piece is small enough to be its own test piece: you may skip the test piece, begin, and measure the width at the first place to stop. If you do make a swatch, it is a test piece to measure and pull out, not the start of the pattern. Gauge is counted over 4 in (10 cm), so make the swatch bigger than that: about 6 in (15 cm) each way, and count in the middle of it.
>
Swatch foundation	Ch 21.	
Swatch row 1 (RS)	Sc in 2nd ch from hook and in each ch across	(20 sc)
Swatch row 2	Ch 3 (counts as dc), turn; dc in next 19 sts	(20 dc)
Swatch row 3	Ch 1, turn; sc in next 19 sts, sc in top of turning ch	(20 sc)
Swatch rows 4 to 15	Repeat swatch rows 2 and 3 in turn: every even-numbered row is worked as swatch row 2, every odd-numbered row as swatch row 3.	

For another width, chain more or fewer: each chain adds one stitch to every row. Measure your own stitches to 4 in (10 cm) first.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

Instructions

Standard. US terms.

sc single crochet (UK dc), **ch** chain, **dc** double crochet (UK tr), **st** stitch.
The ch 3 is the first dc: skip the first stitch; the last sc goes in the **top of the 3 chains**.
(23 sc): the row now has 23; a check, not a step. Not 23? **Pull it back**.
Every stitch, drawn: flossfield.com/crochet/stitches.

☐ **Start**	Make a slip knot, leaving a tail of about 6 in (15 cm). Ch 24.	
☐ **Row 1**	Sc in 2nd ch from hook and in each ch across	(23 sc)
☐ **Row 2**	Ch 3 (counts as dc), turn; dc in next 22 sts	(23 dc)
☐ **Row 3**	Ch 1, turn; sc in next 22 sts, sc in top of turning ch	(23 sc)
☐ **Rows 4 to 8**	Repeat rows 2 and 3 in turn: every even-numbered row is worked as row 2, every odd-numbered row as row 3.	

The heavy box is where you stop and measure.

4 5 6 7 **8**

> **Stop and measure now, after row 8.** Width, across the middle of the rows and not along the chain edge: about 7 in (18 cm). If it is wider, start again with a smaller hook; if it is narrower, with a larger one. If only the chain edge is tight, make the chain with a larger hook.

☐ **Rows 9 to 143**	Repeat rows 2 and 3 in turn: every even-numbered row is worked as row 2, every odd-numbered row as row 3. *Repeat until the piece measures about 60¼ in (153 cm), ending with a row worked as row 3: at our gauge that is row 143. Go by the tape measure, not the count.*	

9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36

☐	Fasten off, leaving a 6 in (15 cm) tail.	

Finishing

- Weave in the ends.
- This pattern has no border, and every size given here is without one.

In all: 143 rows; 3,289 stitches; 2 ends to weave in.

Also makes: single and double row baby blanket and single and double row throw, from the same stitch pattern. See the pattern's page at flossfield.com/crochet/patterns/single-and-double-row-scarf/.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

Notes

- The ch 3 at the start of a row counts as a dc. The last stitch of the next row is worked into the top of it.
- The ch 1 at the start of a row does not count as a stitch.
- Row 1 is the right side.
- The number of rows is our estimate: yours may differ, and the length does not change the stitch count.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.
- One yarn is used throughout: a variegated, self-striping or cake yarn of the same weight and length can take its place, and its colors fall where the yarn has them.
