Gauge

13 stitches and 11 rounds to 4 in (10 cm) in half double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 21; work 16 rows of half double crochet on 20 sts, about 6 in (15 cm) square, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large.

Before you start

- Women's sizes, XS to 5X.
- The finished bust is from 3½ in (9 cm) to 4½ in (11.5 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- Worked from the neck down in one piece. The rounds are not turned; the right side always faces you.
- The chain at the start of a round or row (ch 1 for single and half double crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch into the stitch at its base.
- A decrease counts as one stitch.
- At the underarms, work into each of the new chains as into a stitch on the next round.
- For the rib, always work around the post (the upright part) of the stitch below, not into its top.
- The neck has no opening and goes on over the head. Compare the neck measurement with the head it is for before you begin, and work the foundation chain loosely.

Instructions

Chosen: Size M. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and hdc is half treble.
