Yarn A: soft lavender, main	**about 1,100 yd (1,006 m), an estimate**
Yarn B: cream, the border	**about 130 yd (119 m), an estimate**

Hook: 5.5 mm (US I-9), or the size that gives you the gauge. Also: a Tunisian (afghan) hook or a hook with a cable, 5.5 mm, long enough for about 28 in (71 cm) of loops, a yarn needle, scissors and a tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 15 percent added.

Special stitches

tss (Tunisian simple stitch): Insert hook from right to left behind the front vertical bar of the st, yo, pull up a loop and leave it on the hook. In row 1 it is worked into the chain, as the notes say. In UK terms it has the same name. It leaves 1 stitch for the next row or round.

tps (Tunisian purl stitch): Bring the yarn to the front of the work and let it lie there, insert hook from right to left behind the front vertical bar of the st, then take the yarn to the back and over the hook, pull up a loop and leave it on the hook. In UK terms it has the same name. It leaves 1 stitch for the next row or round.

Gauge

17 stitches and 15 rows to 4 in (10 cm) in Tunisian simple stitch. Along a row, count every stitch and every chain between stitches as one.

Check it on the blanket itself, laid flat and not stretched, when 15 rows are done: 34 stitches side by side are about 8 in (20 cm) wide, and the 15 rows are about 4 in (10 cm) tall. The purl stitches have the same gauge. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Before you start

- Every row has two halves. The forward half picks up loops from right to left and leaves them all on the hook; "return" is the half that works them off again from left to right: yo, pull through 1 loop, then [yo, pull through 2 loops] until 1 loop is left on the hook. Do not turn: the right side always faces you.
- The loop left on the hook is the first stitch of the next row. It stands over the first vertical bar, so pass that bar over. In row 1 it stands over the ch nearest the hook. From row 2 on the last stitch of a row goes under the two strands at the very edge, so that the edge is firm.
- In row 1 there are no bars yet: put the hook under the bump at the back of each ch, yo, pull up a loop and leave it on the hook. The two strands of the V of each ch are left free for later.
- The stitches are pushed together on the hook or its cable: it may be shorter than the blanket is wide.
- The lattice is made of lines of purl stitches that go from row to row one stitch to the right or to the left. Where two lines cross, they run together for three rows and part again.
- The last row of a piece is plain single crochet, with no loops left on the hook and no return. Do not turn. Its ch 1 counts as no stitch: the first sc goes under the first vertical bar, straight below the ch. Work the others with the hook put in as for a tss, and the last one under the two strands at the very edge: each time yo, pull up a loop, yo, pull through both loops on the hook.
- In Rnd 1 of the border, work the sc of the sides under both strands at the end of each row: row 1 of the piece, the row of sc and all between them count. The end of the row of sc is the side of its last sc on the left, and the side of its first sc on the right. Work the sc of the top under both top strands of each sc of the last row, and the sc of the foundation under the two strands of the V of each ch.
- Weave the ends in firmly, on the wrong side, and trim them close: nothing loose is left on a blanket for a baby.
- Leave a tail of about 6 in (15 cm) when you begin, when you join a yarn and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, work the last yarn over of a stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both. In the rows do it in the last yarn over of a return; in the rounds of the edging any stitch will do.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st. The joining sl st itself is not a stitch and is not worked into.
- The ch 1 at the start of a round does not count as a stitch.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook.
- Edging: work along the last row, down the ends of the rows, along the other side of the foundation chain and up the ends of the rows. The 3 sc in one place turn a corner.
- Buy whole balls from one dye lot.

Instructions

Chosen: Baby. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble, sk is miss and yo is yarn round hook.

Finishing

- Weave in the ends with the yarn needle, changing direction once or twice.
- Dampen the blanket, lay it out flat with the right side up, pat it out to its size with its corners square (Baby about 30½ × 35¼ in (89.5 cm) or 77 × 90 cm; Large about 34¾ × 43¼ in (110 cm) or 88 × 110 cm), and leave it to dry.

In all: 4 ends to weave in.
