Gauge

9 stitches and 5½ rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 12.3 in (31 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The scarf has 13 rows and the shawl 18; each is printed in full when it is chosen. For a size between them, go on as in the last row, with the next color in turn: every row has one more group of 3 dc in each half, so the brackets of any row are worked one time fewer than the number of the row (12 times in row 13, 13 times in row 14). Each row adds about 2.1 in (5.2 cm) to the top edge.

Before you start

- The ch 4 at the start of a row or round counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 26.7 in (67.8 cm) across the top edge and 13.4 in (34 cm) deep, without the tassels.
- 13 rows, one row to a color: A, B, C in turn.

Instructions

Chosen: Scarf. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and dc is treble.

Yarns in order of use: A, oatmeal; B, dusty rose; C, plum.

Finishing

- Tassels: make 3 of yarn C. For each, wind the yarn 16 times round a piece of card 5 in (12.7 cm) wide, tie the loops tightly together at one edge of the card with a piece of yarn C about 12 in (30.5 cm) long, cut the loops at the other edge, and bind the tassel with a second piece of the same length about 1 in (2.5 cm) below the tie. Sew one tassel by the ends of its tie to each end of the top edge and one to the point; weave those ends into the piece.
- Weave in the ends.

In all: 13 rows; 572 stitches; 32 ends to weave in.
