Gauge

10 stitches and 8 rounds to 4 in (10 cm) in half double crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 3 the base should measure about 3 in (7.5 cm) across, laid flat and not stretched.

Before you start

- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring and draw up a loop. Work round 1 into the ring, then pull the tail to draw the ring closed.
- Each round is joined with a slip stitch in its first stitch. The chain at the start of a round does not count as a stitch. Work the first stitch of a round into the stitch the round before was joined in.
- Work firmly.
- The handle round makes two openings: each chain passes over as many skipped stitches as it has chains, and the next round works that many stitches into each chain space.
- To change color where a joined round begins, draw the new yarn through as the last yarn over of the slip stitch that ends the round before. Cut the old yarn, leaving a tail of 6 in (15 cm).
- About 7 in (18 cm) across and 4¾ in (12 cm) tall. Each handle opening is about 4 in (10 cm) wide.
- Colors, round by round. Rounds 1 to 8: B. Rounds 9 to 16: A. Round 17: B.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and sk is miss.

Yarns in order of use: B, plum; A, rose.

Round 8 is worked in the back loop only: put the hook under the back loop of each stitch alone. It turns the base up into the sides.
