Gauge

10 stitches and 11 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 5 the base should measure about 10¾ in (27.5 cm) long, laid flat and not stretched.

Before you start

- Round 1 is worked along both sides of the foundation chain: along one side, 3 stitches in the last chain, then back along the other side. From round 2 on, the increases stand at the two ends only; along the two straight sides work one stitch in each stitch.
- The base is not joined: work it in a spiral, and move a marker up to the first stitch of each round.
- From the first round of the sides on, each round is joined with a slip stitch in its first stitch. The chain at the start of a joined round does not count as a stitch. Work the first stitch of a round into the stitch the round before was joined in.
- In the first round of mesh each double crochet (UK treble) is worked into a single crochet (UK double crochet), and each chain of 1 passes over one single crochet. In every mesh round after it each double crochet is worked into a double crochet, and each chain of 1 passes over a chain-1 space. The round after the mesh puts one single crochet in every double crochet and one in every chain-1 space.
- The handle round makes two handles: each is a chain that passes over skipped stitches, and the next round works one stitch into the chain space for every chain.
- To change color where a joined round begins, draw the new yarn through as the last yarn over of the slip stitch that ends the round before. Cut the old yarn, leaving a tail of 6 in (15 cm). Where only one or two rounds are worked before the old yarn is used again, do not cut it: carry it loosely up the inside.
- About 12¾ in (32.5 cm) wide laid flat and 11 in (28 cm) tall, on a base about 10¾ in (27.5 cm) long and 3¾ in (9.5 cm) wide. Each handle is about 16 in (40.5 cm) long.
- Colors, round by round. Rounds 1 to 9: A. Rounds 10 to 11: B. Rounds 12 to 13: A. Rounds 14 to 15: B. Rounds 16 to 23: A.
