RS	right side

Gauge

11 stitches and 12 rounds to 4 in (10 cm) in single crochet.

If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 12 the base should measure about 8¼ in (21 cm) across, laid flat and not stretched.

Before you start

- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring, draw up a loop and chain 1 to hold it, which does not count as a stitch. Work round 1 into the ring, then pull the tail to draw the ring closed.
- The rounds are not joined: work in a spiral, and move a marker up to the first stitch of each round.
- Where the pattern says BLO, put the hook under the back loop only; the front loop stays on the outside as a ridge.
- Tapestry crochet: where two or more colors share a round, lay the color or colors of that round not in use along the top of the round before and work over them, all the way round, so that they are carried inside the stitches.
- To change color, at the start of a round or inside it, draw the new yarn through as the last yarn over of the stitch before. Where two or more colors share a round, cut nothing at a change: the color you leave is carried. Once a color is no longer in the rounds: where only one or two rounds are worked before it is used again, carry it loosely up the inside; where more are worked, or it is not used again, cut it, leaving a tail of 6 in (15 cm).
- Colors, round by round. Rounds 1 to 13: A. Rounds 14 to 17: A and B. Round 18: A. Rounds 19 to 22: A and C. Round 23: A. Rounds 24 to 27: A and D. Rounds 28 to 29: A.

Instructions

Chosen: Medium. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.
