You will need

Yarn: camel tweed, medium (4) **about 190 yd (174 m), an estimate**

Hook: 5.5 mm (US I-9). Also: a soft tape measure, a yarn needle, scissors, 2 stitch markers (for the peak) and a piece of plastic canvas at least 8¼ by 2¼ in (21 by 6 cm) for a stiffer peak, if you like.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Special stitches

FPdc (front post double crochet): Yarn over, insert the hook from front to back and to the front again around the post of the stitch named, and finish as a double crochet. The post stands out toward you. It leaves 1 front post double crochet for the next row.

BPdc (back post double crochet): Yarn over, insert the hook from back to front and to the back again around the post of the stitch named, and finish as a double crochet. The post stands away from you. It leaves 1 back post double crochet for the next row.

sc2tog (single crochet 2 together): Pull up a loop in each of the next 2 stitches, yarn over and pull through all 3 loops: 1 stitch decreased. It leaves 1 single crochet for the next row.

Gauge

13 stitches and 10 rounds to 4 in (10 cm) in half double crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower. The depths below are worked out from the rounds: to 4 in (10 cm) go 10 rounds of half double crochet or 7 rounds of double crochet or 7 rounds of post stitches. Post stitches often come out a little shorter than that, and then the hat is a little shallower than stated.

The pattern also stops you to measure after round 8.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 12, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 21 in (53 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.

- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- A post stitch goes around the post of the stitch straight below it in the round before, whatever kind of stitch that is; the line says whether it is a front post or a back post stitch.
- Front loop only: of the two loops at the top of a stitch work under the one that lies nearer to you as you work.
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- The outer peak and the inner peak are worked in rows: the chain at the start of a row does not count as a stitch, and the first stitch after the turn goes into the last stitch of the row before.
- Woman: for a head of 22 in (56 cm). The finished hat is about 21 in (53 cm) round and about 8½ in (22 cm) deep.

Instructions

Chosen: Woman, head 22 in (56 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble and dc is treble.

Outer peak

☐ **Foundation**	Number the 68 stitches of the last round in the order they were worked; the middle of the front lies between stitch 34 and stitch 35. Mark stitch 23 and stitch 46: the 24 stitches at the middle of the front, from stitch 23 to stitch 46, carry the peak. With the right side of the hat facing you and the crown at the bottom, join the yarn with a slip stitch in the front loop only of stitch 23, so that its back loop stays free; the stitches lie in the order of their numbers, and the first single crochet of row 1 goes into that same front loop.

Inner peak

☐ **Foundation**	Turn the hat so that its inside faces you, the crown at the bottom. Row 1 of this peak goes into the 24 stitches at the middle of the front again, from stitch 46 back to stitch 23, each time into the loop that row 1 of the outer peak left free; seen from the inside it is the front loop, the one nearer to you. Join the yarn with a slip stitch in that loop of stitch 46, and work the first single crochet of row 1 into that same loop.	
☐ **Row 1 (RS)**	Ch 1, sc in FLO of first st, sc in FLO of next 23 sts	**(24 sc)**
☐ **Row 2**	Ch 1, turn; **[**sc in next 5 sts, 2 sc in next st**] 4 times**	**(28 sc)**
☐ **Row 3**	Ch 1, turn; sc2tog over next 2 sts, sc in next 24 sts, sc2tog over next 2 sts	**(26 sc)**
☐ **Row 4**	Ch 1, turn; sc2tog over next 2 sts, sc in next 22 sts, sc2tog over next 2 sts	**(24 sc)**
☐ **Row 5**	Ch 1, turn; sc2tog over next 2 sts, sc in next 20 sts, sc2tog over next 2 sts	**(22 sc)**
☐ **Row 6**	Ch 1, turn; sc2tog over next 2 sts, sc in next 18 sts, sc2tog over next 2 sts	**(20 sc)**
☐ **Row 7**	Ch 1, turn; sc2tog over next 2 sts, sc in next 16 sts, sc2tog over next 2 sts	**(18 sc)**
☐ **Row 8**	Ch 1, turn; sc2tog over next 2 sts, sc in next 14 sts, sc2tog over next 2 sts	**(16 sc)**
☐ **Row 9**	Ch 1, turn; sc2tog over next 2 sts, sc in next 12 sts, sc2tog over next 2 sts	**(14 sc)**
☐ **End**	Fasten off, leaving a tail of 6 in (15 cm).	

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Edging of the peak: the wrong sides of the two layers lie together, row on row. Lay the tails at the last row of each peak between the two layers, where the edging closes them in. For a stiffer peak cut the plastic canvas to the shape of the peak, about ¼ in (0.5 cm) smaller all round, and slip it between the layers too. With the outer peak facing you and the crown at the bottom, join the yarn with a slip stitch at the right-hand end of row 1, through both layers, and ch 1. Work through both layers: up the side 1 single crochet in the end of each row (9), 1 in each stitch of the last row (14), down the other side 1 in the end of each row (9): 32 single crochet. Slip stitch in the edge of the brim and fasten off, leaving a tail of 6 in (15 cm). Run the ends of the edging in between the two layers of the peak.

Finishing

- Weave in every end on the inside of the hat.

In all: 3 pieces; 6 ends to weave in.
