Gauge

13 stitches and 7 rounds to 4 in (10 cm) in double crochet worked in rounds.

Hook: 5.5 mm, or the size that gives you the gauge.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 3 the piece, which is still a circle, measures about 3½ in (9 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Every round is worked with the right side facing; do not turn.
- The foundation is 4 chains joined into a ring. If you prefer, begin with a magic ring instead: wrap the yarn round two fingers, work round 1 into the loop, then pull the tail until the ring is closed.
- The chain 2 at the start of round 2 does not count as a stitch.
- The chain 3 at the start of round 3 does not count as a stitch.
- Round 4 makes the four corners: each is (3 tr, ch 2, 3 tr) worked in one place.
- In round 5 each corner is (2 dc, ch 2, 2 dc) worked in one corner space.
- A new color is joined at the start of a round and never inside one; this pattern has 2 changes of color in each square.
- Each square leaves 6 ends to weave in.
- A finished side of the square is 19 stitches and 2 corner chains long, 21 in all, which is about 6½ in (17 cm) at the gauge: the open rounds in the middle give, so pin the square out to that size when you block it.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, hdc is half treble, dc is treble and tr is double treble.
