Special stitches

FPdc (front post double crochet): Yarn over, insert the hook from the front to the back and to the front again round the post (the upright part) of the st, yarn over and draw up a loop, [yarn over, draw through 2 loops] 2 times. Leave the top of that st unworked. It leaves 1 FPdc for the next row.

BPdc (back post double crochet): Yarn over, insert the hook from the back to the front and to the back again round the post of the st, yarn over and draw up a loop, [yarn over, draw through 2 loops] 2 times. Leave the top of that st unworked. It leaves 1 BPdc for the next row.

Gauge

16 stitches and 18 rounds to 4 in (10 cm) in single crochet.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one. To check it as you go: lay the tube flat after the first rounds of the leg: it is about 5½ in (14 cm) across.

Before you start

- Measure round the widest part of the calf and choose the nearest size. The finished tube is a little smaller than the leg, and the fabric stretches to it.
- The pattern makes a pair.
- In a joined round, the ch at the start does not count as a stitch: the first stitch goes into the stitch the ch stands on (a post stitch goes round its post), and the sl st that closes the round goes into the top of that first stitch.
- In a spiral the rounds are not joined: put a marker in the first stitch of each round and move it up every round.
- The right side faces you in every round.
- To change color, work the last stitch before the change until its last loops are on the hook, then draw the new color through them. A color that comes back within 4 rounds can wait on the inside and be drawn up again; cut any other, leaving a tail of 6 in (15 cm).
- The figures in brackets at the end of a line are the stitches it has.

Instructions

Chosen: Adult small, calf 12 in (30.5 cm) round. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
