Gauge

20 stitches and 22 rounds to 4 in (10 cm) in single crochet, in a spiral.

To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 2¼ in (5.5 cm) across. The stitches should be tight enough that the stuffing does not show.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Before you start

- Every piece that has rounds is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up. Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Color change: where a line begins "With A," (or another letter), work the last pull-through of the round before it in A. Cut the old yarn and knot the ends on the wrong side.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Body and head: the center line runs between stitches 13 and 14 of round 1 (26 sts). It faces the front, round 1 at the bottom.
- Right and left are as you look at the front of the doll. Rounds are counted from the start of each piece.
- Running stitches go in and out along a line.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- In every step of putting it together: where a piece meets or overlaps another, sew through both. Where no tail is left or a tail is too short, sew with a new length of the yarn of the piece you are putting on.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- For a child under three, or a pet, embroider the eyes instead: satin stitch dots of the same size in D (dark brown).
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, ovals, details) are for Standard, the size written here: for another size multiply them by the number in its line.
- Small: fine (2, sport) yarn, 2.25 mm (B-1) hook, 27 sc and 30 rounds to 4 in (10 cm): about 9½ in (24 cm) tall with the ears; eyes 7 mm; multiply lengths by 0.74; about 0.74 times the yarn.
- Large: bulky (5, chunky) yarn, 5 mm (H-8) hook, 14 sc and 15.4 rounds to 4 in (10 cm): about 18¼ in (46.5 cm) tall with the ears; eyes 14 mm; multiply lengths by 1.4; about 1.4 times the yarn.
- Jumbo: super bulky (6, plush or velvet) yarn, 6.5 mm (K-10½) hook, 11 sc and 12.1 rounds to 4 in (10 cm): about 23¼ in (59 cm) tall with the ears; eyes 18 mm; multiply lengths by 1.8; about 1.8 times the yarn.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet and sl st is slip stitch.

Leg: make 2

☐ **End**	Fasten off the first leg, leaving an 8 in (20 cm) tail. Do not fasten off the second leg: go on from it with the body and head. Stuff both legs firmly, a little at a time, up to about ½ in (13 mm) below the open edge, before you join them. Rounds 1 to 8 are the shoe and round 12 is its ribbon.	

Body and head

Yarns in order of use: A, warm gray; C, terracotta.

Hold the two legs side by side. The yarn is still on the second leg: carry it straight across to the first one and begin round 1 there, in the stitch after its last stitch; when all 13 of its stitches are worked, go on round the second leg, beginning in the stitch after the one the yarn came from. When round 2 is done, close the small gap between the two from the inside with the tail of the first leg.

The center line is in front, midway between the two legs. Stuff as you go, through the open top: the body firmly when round 17 is done, and the neck hard when round 22 is done, so that the head does not wobble.

☐ **Foundation**	Hold the two legs side by side.	
☐ **Rnd 1 (RS)**	With right sides facing out, sc in each of the 13 sts of one leg, then sc in each of the 13 sts of the other leg	**(26 sc)**

Mark the center line now: a pin or a scrap of yarn between stitches 13 and 14 of round 1. It faces the front, round 1 at the bottom.

Inner ear: make 2

Yarn E, dusty rose.

☐ **End**	Fasten off, leaving a 20 in (51 cm) tail for sewing. The increases of rows 2 and 3, the decreases of rows 9 and 10 and those of rows 12 and 13 fall at opposite edges, so the two sides match.

Assembly

Body and head: 3 arms, 5 ears, 7 muzzle, a eyes, b cheeks

A number is the step below that puts it on; a letter is put on under Finishing. Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

1. Slip the short skirt, right side out and its chain edge first, up over the legs and the hips until the chain edge lies on round 7 of the body and head and the last round hangs free below. The chain edge is as wide as the hips: ease it up a little at a time, pressing the hips in. Sew the 30 chains to the 30 stitches of round 7 all the way round.

2. Turn the short skirt up out of the way. Slip the long skirt on in the same way, right side out and its chain edge first, until its chain edge lies on round 6 of the body and head, just below the seam of the short skirt. Sew the 30 chains to the 30 stitches of round 6 all the way round, and turn the short skirt down over the long one.

3. Pin the two arms to the body and head: the middle of each open edge lies on round 16, one to each side, 5½ stitches from the center line (11 stitches apart). The edge (8 sts) covers about rounds 15 to 17 of the body and head. They point out to the side and down, then curve until the tip of each points straight down, over the skirt. Hold the curve with a few running stitches along its inner side, drawn up a little. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

4. Lay the collar round the neck, right side out, one long edge along round 17 of the body and head (20 sts), the two short ends meeting on the center line in front. Sew that long edge down all the way round, easing it to fit. The other long edge lies loose over the shoulders.

5. Pin the two ears to the body and head: the middle of each flat edge lies on round 36, one to each side, 4½ stitches from the center line (9 stitches apart). The flat edge runs from side to side: its inner end is on about round 37, 1½ stitches from the center line; its outer end is on about round 34, 8 stitches from it. They point up and a little out to the side. Sew through both layers of the 5-stitch edge with the tail.

6. Sew one inner ear flat to the side of each ear that will face forward, right side out, row 1 at the lower end, on about round 15 of the ear, and row 14 toward the tip, between rounds 2 and 3, its middle half way between the two folds of the ear all the way up. Go all the way round its edge with its tail.

7. Pin the muzzle to the body and head: the middle of the open edge lies on round 25, on the center line. The edge (18 sts) covers about rounds 23 to 27 of the body and head. It points forward. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

8. Feet of the two legs: the foot is rounds 1 to 5 of the leg. Its front is straight below the place 3 stitches from the center line on round 1 of the body and head. Bend the foot forward until it is at a right angle to the leg, and with a new length of E (dusty rose) take running stitches up the front of the ankle from round 5 to round 9, to and fro twice, and draw them up until the foot stays bent.

Finishing

- Put in the plastic eyes when the words of a piece say so, or embroider eyes in the same places with the other details. Embroider with one strand of yarn and the yarn needle when the pieces round the place are sewn on; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled. Backstitch is a line of short stitches end to end: bring the needle up one stitch ahead, put it down at the end of the stitch before, and repeat.
- Buttons: with B (cream), in satin stitch, two round dots, each about 3/16 in (5 mm) across, on the center line of the body and head, one on round 11 and one on round 13.
- Eyes: two 10 mm black plastic eyes, on the body and head on round 27, one to each side, 5 stitches from the center line (10 stitches apart).
- Nose: with E (dusty rose), in satin stitch, a triangle with its point down about ¼ in (6 mm) wide and 3/16 in (5 mm) tall, its middle on the muzzle, centered, ¼ in (6 mm) above the middle of the muzzle.
- Mouth: with D (dark brown), in backstitch, a straight line down, 1/16 in (2 mm) long, and from its lower end two small smile curves side by side, one to each side, about 3/8 in (10 mm) wide and ¼ in (6 mm) tall in all, starting at the bottom of the nose.
- Cheeks: with E (dusty rose), in satin stitch, an oval about 5/16 in (8 mm) wide and 3/16 in (5 mm) tall, its middle on the body and head on round 24, one to each side, 7 stitches from the center line (14 stitches apart).
- Weave every tail through the toy and trim it. For a toy that will be played with, go round each seam a second time with a new length of yarn. Check the seams and small parts from time to time.

In all: 13 pieces; 3,914 stitches.
