Dinosaur baby hat

Baby, 3 to 6 months, head 15 in (38 cm) · US terms

Finished size
About 13¾ in (35 cm) round and about 5¾ in (15 cm) deep
To fit a head of 15 in (38 cm)

Skill
Easy
Single crochet in a spiral, small pieces in rows sewn on

Yarn
Light (3), 4 colors

Hook
4.5 mm (US 7)

Gauge
15 stitches and 16 rounds to 4 in (10 cm)
In single crochet.

You will need

Yarn A: emerald, the hat	**about 65 yd (59 m), an estimate**
Yarn B: mustard, the spikes and the edge	**about 20 yd (18 m), an estimate**
Yarn C: black, the eyes and the nostrils	**about 5 yd (5 m), an estimate**
Yarn D: white, the rings of the eyes	**about 5 yd (5 m), an estimate**

Hook: 4.5 mm (US 7). Also: a soft tape measure, a stitch marker, a yarn needle, scissors and pins.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Gauge

15 stitches and 16 rounds to 4 in (10 cm) in single crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower.

The pattern also stops you to measure after round 8.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 12, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 13¾ in (35 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- The rounds of the hat are worked in a spiral: do not join; put a marker in the first stitch of each round and move it up every round.
- To change yarn at the start of a round, finish the last stitch of the round before with the new yarn. Where a yarn rests for 4 rounds or fewer before it is used again, carry it up the inside; where it rests for more, or is not used again, cut it, leaving a tail of 6 in (15 cm).
- The eyes are begun with a magic ring like the hat and worked in a spiral: no chain at the start of a round and no slip stitch at its end; put a marker in the first stitch of each round and move it up every round. The right side faces you.
- Where a piece worked in a spiral changes yarn at the start of a round, make the last yarn over of the last stitch of the round before with the new yarn; then cut the old yarn, leaving a tail of 6 in (15 cm).
- Back loop only: of the two loops at the top of a stitch work under the one that lies farther from you as you work.

- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- The spikes are worked in rows: the chain at the start of a row does not count as a stitch, and the first stitch after the turn goes into the last stitch of the row before.
- Baby, 3 to 6 months: for a head of 15 in (38 cm). The finished hat is about 13¾ in (35 cm) round and about 5¾ in (15 cm) deep.

Instructions

Chosen: Baby, 3 to 6 months, head 15 in (38 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.

Hat

Yarns in order of use: A, emerald; B, mustard.

☐ **End**	Slip stitch in the next stitch. Fasten off, leaving a tail of 15 in (38 cm) for sewing.	

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. With the needle run the beginning tail of each spike from its point down through the edge stitches of one side to its last row, so that all its ends are at the last row and go to the inside of the hat.

3. The spikes stand in one straight line, from the band at the middle of the front, over the center of the top, to the band at the middle of the back; the middle of the back is where the last round begins. Pin the last row of each spike along that line, each spike beginning where the one before it ends. The 5 spikes take about 8 in (20 cm) of the line and the line is about 10½ in (27 cm) long, so begin about 2¼ in (6 cm) above the band at the front and end about ¼ in (0.5 cm) above it at the back. Sew each spike down along one side of its last row and then along the other, so that its point stands up.

4. The middle of the front is opposite the place where the last round of the hat begins; fold the hat in half there to find it. Sew the eyes to the front, one on each side of its middle, the center of each on round 14 of the hat and 7 stitches of the hat between the two centers.

5. With yarn C embroider the nostrils: on round 19 of the hat two upright straight stitches, each about as tall as that round, 2 stitches of the hat apart, the middle of the front between them. Work each twice over.

Finishing

- Weave in every end on the inside of the hat.

In all: 8 pieces; 1,137 stitches (996 in the hat, 21 in each spike, 18 in each eye); 22 ends to weave in.
