Gauge

13 stitches and 14 rounds to 4 in (10 cm) in single crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower.

The pattern also stops you to measure after round 11.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 14, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 21 in (53 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.
- The rounds of the hat that do not end with a join are worked in a spiral: do not join; put a marker in the first stitch of each round and move it up every round.
- To change yarn at the start of a round, finish the last stitch, or where the round is joined its joining slip stitch, of the round before with the new yarn. Where a yarn rests for 4 rounds or fewer before it is used again, carry it up the inside; where it rests for more, or is not used again, cut it, leaving a tail of 6 in (15 cm).

- Where one round has two yarns, carry the yarn not in use along the top of the round before and work over it, and change yarn in the last yarn over of the stitch before the new color. Pull the carried yarn neither tight nor loose, so that the round keeps its size. The chain at the start of such a round is made in the yarn of its first stitch: finish the joining slip stitch before it with that yarn. A line that names no yarn goes on in the yarn the line before it ended with.
- Back loop only: of the two loops at the top of a stitch work under the one that lies farther from you as you work.
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- Woman: for a head of 22 in (56 cm). The finished hat is about 21 in (53 cm) round and about 8½ in (22 cm) deep.

Instructions

Chosen: Woman, head 22 in (56 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and sc is double crochet.

Yarns in order of use: A, ecru; B, slate blue; C, brick.

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Pom-pom: wrap yarn C 150 times round a piece of card 3 in (8 cm) wide. Slide the wraps off, tie them very tightly round the middle with the middle of a strand 16 in (40 cm) long and leave both ends of this tie hanging long: they sew the pom-pom on, so hold them out of the way of the scissors. Cut the loops at both ends of the bundle, shake the pom-pom out and trim the cut strands, not the two ends of the tie, to a ball about 2¾ in (7 cm) across. Sew it firmly to the top of the crown with the two ends of the tie, through the hat and back, and fasten them on the inside.

Finishing

- Weave in every end on the inside of the hat.

In all: 30 rounds; 1,688 stitches; 6 ends to weave in.
