Gauge

13 stitches and 11 rows to 4 in (10 cm) in half double crochet.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 21; begin in the 2nd ch from the hook and work 16 rows of half double crochet on 20 sts, about 6¼ in (16 cm) wide and 5¾ in (14.5 cm) high, and measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Single crochet of the edgings and the leaves: 15 rows to 4 in (10 cm).

Notes

- The finished bust is from 4¾ in (12 cm) to 5½ in (14 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain (ch 1 for single and half double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- The chain at the start of a round never counts as a stitch. Work the first stitch of the round into the stitch at its base, where the round was joined.
- Odd-numbered rows are right side rows. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- The left front and the right front are named as worn. With the right side facing you, the rows of the left front begin at its side edge and end at its front edge, and the rows of the right front begin at its front edge and end at its side edge; on wrong side rows it is the other way about.
- A decrease counts as one stitch.
- The rounds of the sleeve edging are joined and not turned; the right side faces you.
- Where a foundation chain is picked up, the 1 ch that was skipped at the start of row 1 of the piece is left out.
- Mattress stitch: lay the two edges side by side with the right side up; with the yarn needle go under two strands at the side of a row end of one edge, then under two strands of the row end across from it, and so on, and draw the yarn up until the edges meet.
- Sew every seam with the yarn needle and a new length of yarn A, about two and a half times as long as the seam, where no other end is named. Small stitches into both edges keep a seam flat.
- Sleeve from its top edge, without the edging 19 in (48.5 cm).

Instructions

ch chain, **sl st** slip stitch, **sc** single crochet (UK double crochet), **hdc** half double crochet (UK half treble), **dc** double crochet (UK treble), **tr** treble crochet (UK double treble), **Rnd** round, **st** stitch.

RS right side, the one that shows.

2 hdc in next st: both in one stitch. **hdc in next 2 sts**: one in each.

[ ] 5 times: work what is inside 5 times in all. **( )**: all of it goes into the one place.

(2 hdc): the stitches you have when the row is done. **How to read a pattern**.

Special stitches

sc2tog (single crochet 2 stitches together (UK double crochet 2 together)): Insert the hook in the next stitch and pull up a loop, insert the hook in the following stitch and pull up a loop (3 loops on the hook); yarn over and pull through all 3 loops.

hdc2tog (half double crochet 2 stitches together (UK half treble 2 together)): [yarn over, insert the hook in the next stitch and pull up a loop] twice (5 loops on the hook); yarn over and pull through all 5 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

Tie cord: make 6

Assembly

1. Shoulders and sides: lay the left front and the right front on the back with right sides together and the side edges level. Sew the 15 sts of row 44 of each front to the 15 sts at that end of row 44 of the back, one to one, with yarn A. The middle 24 sts of the back stay open for the neck. Sew each side seam, the ends of rows 1 to 22 of the back to the ends of rows 1 to 22 of the front, row to row.

2. Skirt: lay the gores side by side, right side up and tips down, in this order from left to right: yarn A, yarn B, yarn D, yarn C, yarn C, yarn D, yarn B, yarn A. With mattress stitch and the end of one of the two gores, sew the ends of rows 15 to 80 of each gore to the ends of rows 15 to 80 of the next, row to row; the tips, rows 1 to 14, hang free. With right sides together and yarn A, sew the top of the skirt to the lower edge of the bodice: the 14 sts of row 80 of each of the first two gores, at the left, to the 28 chs of the left front, as worn, those of the next four gores to the 56 chs of the back, and those of the last two to the 28 chs of the right front, one to one, so that the side seams meet the seams between the second and third gore from each front edge.

3. Hood: work it now, as written above.

4. Sleeves: with right sides together, lay the middle of the top edge of a sleeve (row 52, 52 sts) at a shoulder seam, 26 sts to each side of it. Sew 26 sts to the ends of rows 23 to 44 of the back and 26 sts to the ends of rows 23 to 44 of the front, about 7 sts to every 6 row ends, with yarn A. Then sew the ends of rows 48 to 52 of each side edge of the sleeve to the 6 sts left unworked at the underarm, on the front and on the back. Sew the second sleeve to the other armhole.

5. Sleeve seams: with right sides together and yarn A, sew each sleeve seam, row end to row end, from the underarm to the lower edge. Sleeve edging: work it now on each sleeve, as written above.

6. Front and hood edging: work it now, as written above.

7. Leaves and ties: sew a leaf, by its last row, to one end of each tie cord with its own end: two plum, two rust and two gold leaves. Sew the other end of each cord to the inside of the front edging with a new length of yarn D of about 8 in (20 cm) for each: the two with gold leaves at row 35 of the bodice, one on each front, the two with rust leaves at row 19, and the two with plum leaves at row 2. Tie each pair in a bow to close the coat. Sew the last gold leaf, by its last row, to the tip of the hood with its own end, so that it hangs down.

8. Press the gores lightly under a damp cloth, right side down, so that the raised lines are not flattened. Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

Finishing

- Weave in every end on the wrong side.
