A	**3731**	Very Dark Dusty Rose	124	1	1
V	**414**	Dark Steel Gray	112	1	1

One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 15.6 x 10.1 in (39.5 x 25.7 cm) for 18 mesh: the design and 2 in (5.1 cm) of margin on every side.

16,784 stitches in all, in 2 pieces: the left 100 x 110, the right 100 x 110. Leave bare canvas between the pieces, as charted, and start each from its own center.

The chart is on 4 pages, each cut to what is stitched: bare canvas has no page, and a join falls on plain ground where it can. Pages 2, 3, 4 and 5 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread: six-strand floss, 4 to 6 strands in the needle on 18 mesh (counted at 6), about 21 skeins of 8.7 yd in all. Or pearl cotton size 5, 1 strand, about 15 skeins of 27.3 yd; or Persian wool, 1 strand, about 15 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 22.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 18 mesh canvas, plus 30 percent, rounded up for each color (about 121 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

When it is stitched: also have a finisher, or the fabric and cord to make it up yourself. Ask before you stitch the edge: some finishes take extra rows. "Ways to finish needlepoint" is a guide linked from this pattern's page.

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.
