Gauge

13 stitches and 15 rounds to 4 in (10 cm) in single crochet worked in rounds.

Hook: 5.5 mm, or the size that gives you the gauge.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 3 the circle measures about 1½ in (4 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Every round is worked with the right side facing; do not turn.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop, then pull the tail until the ring is closed.
- You may begin with a magic ring or with 4 chains joined into a ring with a slip stitch.
- The rounds are worked in a spiral and are not joined; keep a stitch marker in the first stitch of each round.
- The circle is worked in one color throughout.
- Each circle leaves 2 ends to weave in.

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.
