Gauge

14 stitches and 12 rounds to 4 in (10 cm) in half double crochet in rounds.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. Rounds 1 to 4 measure about 2¾ in (7 cm) across. If they measure more, start again with a smaller hook; if they measure less, with a larger one.

Before you start

- The ch 1 at the start of a round does not count as a stitch.
- To change yarn between rounds, make the joining sl st with the new yarn: put the hook in the first stitch, take the new yarn over the hook and pull it through. Cut the old yarn, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- Leave a tail of about 6 in (15 cm) when you begin and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- Magic ring: wind the yarn once round two fingers, put the hook through the ring and pull up a loop of the working yarn. Round 1 begins with this loop on the hook. Work round 1 into the ring, over both strands, then pull the tail to close it.
- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st. The joining sl st itself is not a stitch and is not worked into.
- Slip stitch (sl st): insert hook in the place named, yo, pull through it and the loop on hook.
