One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 16 x 14.6 in (40.6 x 37 cm) for 18 mesh: the design and 2 in (5.1 cm) of margin on every side.

21,946 stitches in all, in 3 pieces: the front 104 x 140, the back 104 x 140, the base 42 x 42. Leave bare canvas between the pieces, as charted, and start each from its own center.

The chart is on 6 pages, each cut to what is stitched: bare canvas has no page, and a join falls on plain ground where it can. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread: six-strand floss, 4 to 6 strands in the needle on 18 mesh (counted at 6), about 29 skeins of 8.7 yd in all. Or pearl cotton size 5, 1 strand, about 19 skeins of 27.3 yd; or Persian wool, 1 strand, about 20 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 22.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 18 mesh canvas, plus 30 percent, rounded up for each color (about 157 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

Make it an ornament: also have board, thin batting, backing fabric and twisted cord. Stitch two or three extra rows of background all round: the edge of the board takes them. "How to finish an ornament" is a guide linked from this pattern's page.
