In Celtic weave.

You will need

Yarn: moss green, bulky (5) **about 650 yd (594 m), an estimate**

Hook: 8 mm (US L-11), or the size that gives you the gauge. Also: yarn needle, a stiff card 4 in (10 cm) long for the fringe, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: work the swatch and measure it, mark the yarn where the swatch begins and ends, pull the swatch out and measure the yarn it took; divide by the area of the swatch and multiply by the area of the piece.

Special stitches

FC (front cross): Skip the next 2 sts, FPtr around each of the 2 sts after them, then, working in front of those 2 FPtr, on the side toward you, FPtr around each of the 2 skipped sts, first the one you skipped first. It leaves 4 FPtr for the next row.

BC (back cross): Skip the next 2 sts, BPtr around each of the 2 sts after them, then, working behind those 2 BPtr, on the side away from you, BPtr around each of the 2 skipped sts, first the one you skipped first. It leaves 4 BPtr for the next row.

Gauge

12 stitches and 5½ rows to 4 in (10 cm) in Celtic weave.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

To count your gauge in the middle of the test piece: 12 stitches side by side are about 4 in (10 cm) wide, and 6 rows are about 4.4 in (11.1 cm) tall.

The pattern also stops you to measure after row 4.

The swatch. A test piece to measure and pull out. It is not the start of the pattern. The test piece is about 6 in (15 cm) wide and 6½ in (17 cm) tall, so that you can count over 4 in (10 cm) in the middle of it.

Swatch foundation	Ch 20.	
Swatch row 1 (RS)	Dc in 4th ch from hook (skipped chs count as dc) and in each ch across	**(18 dc)**
Swatch row 2	Ch 3 (counts as dc), turn; BPtr around next 2 sts, **[**BC over next 4 sts**] 3 times**, BPtr around next 2 sts, dc in top of turning ch	**(2 dc, 4 BPtr, 3 BC)**
Swatch row 3	Ch 3 (counts as dc), turn; **[**FC over next 4 sts**] 4 times**, dc in top of turning ch	**(2 dc, 4 FC)**
Swatch rows 4 to 9	Repeat swatch rows 2 and 3 in turn: every even-numbered row is worked as swatch row 2, every odd-numbered row as swatch row 3.	

For another width, add or take away 4 chains at a time: each 4 chains adds one more repeat of the bracketed group, and 4 more stitches to a row that has no brackets. Measure your own gauge first.

Before you start

- The ch 3 at the start of a row counts as a dc. It stands on the first st of the row below; the next st is the second. The last stitch of the next row is worked into the top of it. In row 2 that is the top of the skipped chs: the last ch you made of the foundation.
- To work an FPtr: yo 2 times, insert the hook from front to back to front around the post (the upright part) of the st, yo, pull up a loop, [yo, pull through 2 loops] 3 times. The front is the side that faces you as you work.
- To work a BPtr: the same, but insert the hook from back to front to back around the post of the st.
- BPtr around next 2 sts is one BPtr around each of them.
- Row 1 is the right side.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- Seen from the right side, the 2 stitches made last in an FC lie over the 2 made first, and so do the 2 made last in a BC. The ones on top lean one way in a row of FC and the other way in a row of BC, so every band goes over one band and under the next. The two BPtr at each end of a wrong side row turn the outer band back into the weave.
- An FC or a BC counts as 4 stitches.
- In UK terms FC is worked in front post double trebles and BC in back post double trebles.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others. Join a new ball at the end of a row, with the same tails: each join adds two ends.
- The size is without the fringe. The fringe takes 13 tassels on each short end, 78 strands in all: about 17 yd (16 m) of yarn. The estimate includes it; if you measure your own, add it.
- For another length, work rows 2 and 3 once more or once less, as often as you need, and end with a row of FC and then the row of double crochet that is row 92 here.

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms dc is treble, tr is double treble, FPtr is front post double treble and BPtr is back post double treble.

Finishing

- Fringe: wind yarn around the card and cut along one edge, for strands about 8 in (20 cm) long. For each tassel take three strands together, fold them in half, pull the fold through the edge with the hook and pull the ends through the fold. Along the last row put one tassel between the two stitches of every pair: between the first stitch and the second, between the third and the fourth, and so on to the last two, with the hook put through the row just under the tops of its stitches. Along the foundation edge do the same between the stitches of row 1, with the hook put through just above the chain. In both rows the turning ch, or the skipped chs, is the first stitch or the last. Trim the ends level.
- Weave in the ends.
- Lay the piece flat, pull it gently to its size, dampen it and let it dry.

In all: 92 rows.
