Finished size
About 18½ in (47 cm) round and about 7½ in (19 cm) deep with the brim folded up (about 9¼ in (23 cm) before it is folded)
To fit a head of 19½ in (50 cm)

Skill
Easy
Joined rounds, a rib, ears sewn on

Yarn
Medium (4), 3 colors

Hook
5.5 mm (US I-9)

Gauge
13 stitches and 7 rounds to 4 in (10 cm)
In double crochet.

You will need

Yarn A: fox orange, the hat and the ears	**about 90 yd (82 m), an estimate**
Yarn B: ivory, the brim	**about 55 yd (50 m), an estimate**
Yarn C: black, the tips of the ears	**about 5 yd (5 m), an estimate**

Hook: 5.5 mm (US I-9). Also: a soft tape measure, a stitch marker, a yarn needle, scissors and pins.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Sizes

Size	Head	Finished size, about	Yarn, an estimate
Toddler	18 in (46 cm)	17¼ in (44 cm) round, 7½ in (19 cm) deep	about 140 yd (129 m)

rnd	round
RS	right side
MR	magic ring

Special stitches

FPdc (front post double crochet): Yarn over, insert the hook from front to back and to the front again around the post of the stitch named, and finish as a double crochet. The post stands out toward you. It leaves 1 front post double crochet for the next row.

BPdc (back post double crochet): Yarn over, insert the hook from back to front and to the back again around the post of the stitch named, and finish as a double crochet. The post stands away from you. It leaves 1 back post double crochet for the next row.

Gauge

13 stitches and 7 rounds to 4 in (10 cm) in double crochet.

The gauge is measured on the hat itself, at the two places the rounds name: across the crown, which checks the height of the rounds, and round the outside of the hat with a soft tape, along the round just worked, which checks the stitches and so the size round. If the hat measures more round than its round says, begin again with a smaller hook; if less, with a larger one. If it is right round and the crown measures more than it says, your rounds are taller than the gauge and the hat will come out deeper than stated; if the crown measures less, it will come out shallower. The depths below are worked out from the rounds: to 4 in (10 cm) go 7 rounds of double crochet or 7 rounds of post stitches. Post stitches often come out a little shorter than that, and then the hat is a little shallower than stated.

The pattern also stops you to measure after round 5.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 8, put a soft tape round the outside of the hat along that round, without pulling it in: the hat should measure about 18½ in (47 cm) round.

Before you start

- Measure the head if you can: put a soft tape round its widest part, across the middle of the forehead and just above the ears, and choose the size whose head measurement is nearest. Each size is made about 1 in (2.5 cm) smaller round than the head it is for, as nearly as whole repeats of its stitches allow, so that it stays on.
- The pattern is written in United States terms, the directions of the special stitches too; the United Kingdom term stands beside each stitch in the list of abbreviations.
- The hat begins with a magic ring: wrap the yarn once round two fingers, leaving a tail of 6 in (15 cm), and with the hook draw a loop of the working yarn up through the ring. Keep that loop on the hook and make the chain that round 1 begins with; where round 1 names no chain, make 1 chain to hold the loop, and do not count it. Work the stitches of round 1 into the ring, over the tail too, then pull the tail until the ring is closed.
- The right side of the hat faces you in every round; the rounds are never turned.
- A joined round begins with a chain that does not count as a stitch and ends with a slip stitch in its first stitch. Unless the line says otherwise, the first stitch of the next round goes into the same place as that slip stitch.

- A post stitch goes around the post of the stitch straight below it in the round before, whatever kind of stitch that is; the line says whether it is a front post or a back post stitch.
- To change yarn at the start of a round, finish the joining slip stitch of the round before with the new yarn. Where a yarn rests for 4 rounds or fewer before it is used again, carry it up the inside; where it rests for more, or is not used again, cut it, leaving a tail of 6 in (15 cm).
- The ears are begun with a magic ring like the hat and worked in a spiral: no chain at the start of a round and no slip stitch at its end; put a marker in the first stitch of each round and move it up every round. The right side faces you.
- Where a piece worked in a spiral changes yarn at the start of a round, make the last yarn over of the last stitch of the round before with the new yarn; then cut the old yarn, leaving a tail of 6 in (15 cm).
- The number at the end of each line is the number of stitches it has when it is finished; chains and slip stitches that are not named there are not counted.
- Whip stitch: hold the two edges together and sew them over and over, the needle always going in from the same side, through one stitch of each edge at a time.
- To wear the hat, fold the brim up to the outside along the middle of its ribbing, so that the last 3 rounds lie on the outside.
- Child: for a head of 19½ in (50 cm). The finished hat is about 18½ in (47 cm) round and about 7½ in (19 cm) deep with the brim folded up (about 9¼ in (23 cm) before it is folded).

Instructions

Chosen: Child, head 19½ in (50 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Hat

Yarns in order of use: A, fox orange; B, ivory.

☐ **Foundation**	Make a magic ring.	

Crown

☐ **Rnd 1 (RS)**	Ch 3, 12 dc in MR, sl st in first dc to join	**(12 dc)**
☐ **Rnd 2**	Ch 3, 2 dc in each st around, sl st in first dc to join	**(24 dc)**

Assembly

1. Pull the ring at the start of the hat closed once more and weave its tail through the stitches of round 1 on the inside.

2. Before an ear is closed, pull the ring at its tip tight once more and weave in every end on the inside of the ear, except the long sewing tail; the closed ear hides them. Then flatten each ear and close it across the open edge with whip stitch. Lay the hat flat with the line where its rounds are joined at the middle of the back, the center of the top at the middle of the upper fold: the fold on each side is then the side of the hat. Pin the ears along the line that runs from side to side over the center of the top, one on each side of the center of the top, their inner ends about 1 in (2.5 cm) apart, each with one of its flat faces to the front (an ear is double and both its faces are its right side, so either may be the front), and sew both sides of the closed edge of each to the hat, along its front and then along its back, so that it stands up.

Finishing

- Weave in every end on the inside of the hat, except the one at the lower edge of the brim: that edge is folded up to the outside, so weave its end on the right side of the brim, which the fold hides.

In all: 3 pieces; 10 ends to weave in.
