Gauge

14 stitches and 16½ rows to 4 in (10 cm) in moss stitch. Along a row, count every stitch and every chain between stitches as one.

Work a piece a little more than 4 in (10 cm) square, lay it flat and count. If you count more stitches than this, use a larger hook; if fewer, a smaller one.

Before you start

- The ch 1 at the start of a row does not count as a stitch.
- Every row has the same number of places: each single crochet is one and each chain space is one.
- To change yarn, work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn at the end of its stripe, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- Leave a tail of about 6 in (15 cm) when you begin and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, join the next at the end of a row: work the last yarn over of the last stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both.

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sc is double crochet and sk is miss.

Yarns in order of use: A, oatmeal; B, rust; C, plum.

Putting it together

Fringe: cut 198 lengths of A, each about 10 in (25 cm) long. For each knot fold three lengths in half together, pull the fold through the edge with the hook, pull the ends through the fold and draw it tight. Make 33 knots along each short end, one in every second place, beginning with the second: each stitch and each chain space of the last row is a place, and at the other end each of the 67 chains under row 1 (not the chain skipped at its start). Trim the ends level, about 4 in (10 cm) long.

Finishing

- Weave in the ends with the yarn needle, changing direction once or twice.

In all: 312 rows; 10,764 stitches; 26 ends to weave in.
