Gauge

13 stitches and 7 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 9.7 in (25 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

The small size has 7 rows, the medium size 10 and the large size 13; each is printed in full when it is chosen, and the ties are 10 in (25.4 cm) in all of them. Every row has one more group of 3 dc in each half, so for a size between or beyond them the brackets of any row are worked one time fewer than the number of the row. Each row adds about 1.6 in (4.1 cm) to the top edge. The ties are the same whatever the size.

Before you start

- The ch 4 at the start of a row or round counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 11.3 in (28.7 cm) across the top edge and 5.7 in (14.5 cm) deep.
- 7 rows: two rows of A, one row of B, and begin again.
- The top edge and the two ties together are about 31.3 in (79.5 cm) long. A bow takes about 12 in (30.5 cm) of that, so it goes round a neck of up to about 19.3 in (49 cm), measured loosely where the collar sits.
- Take the bandana off a dog that is left alone, and keep the ties short enough not to be stepped on.

Instructions

Chosen: Small dog. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and dc is treble.

Yarns in order of use: A, red; B, cream.

Finishing

- Ties: worked after the last row. Join yarn A with a sl st in the first stitch of the last row (a turning chain counts as one), where that row meets the top edge, leaving a tail to weave in; chain until the tie is about 10 in (25.4 cm) long, fasten off and knot the end close to the last chain. Make the same tie in the last stitch of the last row, at the other end of the top edge.
- Weave in the ends.

In all: 7 rows; 182 stitches; 12 ends to weave in.
