Gauge

13 stitches and 7 rounds to 4 in (10 cm) in double crochet worked in rounds.

Hook: 5.5 mm, or the size that gives you the gauge.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 3 the granny square measures about 4 in (10 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Every round is worked with the right side facing; do not turn.
- You may begin with a magic ring or with 4 chains joined into a ring with a slip stitch.
- The chain 3 at the start of a round counts as a double crochet.
- From round 2 on, each corner is (3 dc, ch 2, 3 dc) worked in one corner space.
- A new color is joined at the start of a round and never inside one; this pattern has 4 changes of color in each granny square.
- Each granny square leaves 10 ends to weave in.
- If a granny square will not lie square, block it: pin it to its size on a flat surface, spray it with water and let it dry.
- Magic ring: wrap the yarn round two fingers to make a loop, work the first round into the loop, then pull the tail until the ring is closed.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch and dc is treble.
