Hook
8 mm (US L-11)

Gauge
9 stitches and 4½ rows to 4 in (10 cm)
In double crochet with every fourth row in front post double crochet.

What you need

Yarn A: oatmeal heather, main and fringe	**about 350 yd (320 m), an estimate**
Yarn B: rust, first stripe	**about 35 yd (32 m), an estimate**
Yarn C: plum, second stripe	**about 35 yd (32 m), an estimate**

By weight: about 320 g in all, an estimate, where 100 g is 130 yd (119 m).

Hook: 8 mm (US L-11). Also: yarn needle, scissors and tape measure.

Before you start

- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.

Sizes

Gauge

9 stitches and 4½ rows to 4 in (10 cm) in double crochet with every fourth row in front post double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the top edge, laid flat and measured straight across from tip to tip, is about 15 1/8 in (38.5 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size work four rows more or fewer, so that the last row is a ridge row: a plain row has dc, and a ridge row FPdc, in each of its two long runs, and the number in each run grows by 4 in every row. The stripes go on in the same order: in every eight rows the sixth is in yarn B and the seventh in yarn C. Four rows add about 10 1/8 in (25.5 cm) to the top edge and 8 knots to the fringe of each half, and the yarn grows with the length of the rows.

Instructions

Shoulder shawl. US terms.

ch chain, **dc** double crochet (UK tr), **sl st** slip stitch, **st** stitch.

2 dc in same st: **both in one stitch**. Dc in next 2 sts: one in each. **ch-2 sp**: the hole under two chains. The hook goes in the hole, never into a chain.

The ch 3 is the first dc: skip the first stitch; the last dc goes in the **top of the 3 chains**.

( ) in one place: all of it there. (6 dc, 1 ch-2 sp): the row now has that many; a check, not a step.

Also: sp space, yo yarn over.

Every stitch, drawn: flossfield.com/crochet/stitches.

Special stitches

FPdc (front post double crochet; UK FPtr): Yo, insert hook from the front (the side of the work that is toward you) to the back and to the front again round the post (the upright part) of the stitch of the row below, yo and pull up a loop, (yo and draw through 2 loops) 2 times.

Begin with yarn A, oatmeal heather.

☐	Fasten off.

Finishing

- Fringe: cut 162 pieces of yarn A, each 12 in (30.5 cm) long. For each knot hold 2 pieces together and fold them in half, draw the fold through every second stitch of the last row, beginning with the stitch at each tip of the top edge and working toward the point (40 knots on each half), and the ch-2 sp at the point (81 knots in all) from back to front, pass the ends through the fold and pull snug. Trim the fringe level at about 5 in (12.5 cm).
- Weave in the ends.

In all: 20 rows.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Notes

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- About 50¼ in (128 cm) across the top edge and 25 1/8 in (64 cm) deep, without the fringe.
- 20 rows. Rows 4, 8, 12 and so on to 20 are ridge rows. Yarn B: rows 6 and 14. Yarn C: rows 7 and 15. Yarn A: all the other rows and the fringe.
