Gauge

13 stitches and 10 rounds to 4 in (10 cm) in half double crochet.

There should be 13 stitches; rows worked back and forth are not quite as tall as rounds, so go by the stitches. If you count more stitches than that, change to a larger hook; if you count fewer, change to a smaller hook. The swatch can be pulled out and its yarn used again.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Work a swatch before you begin: ch 22; row 1, hdc in 3rd ch from hook and in each ch across (20 hdc); rows 2 to 15, ch 2, turn, hdc in each st across (20 hdc). Lay it flat and count the stitches over 4 in (10 cm) in its middle.

Before you start

- Join the foundation chain into a ring with a slip stitch, and take care that it is not twisted. The join runs down the middle of the back.
- Each round is joined with a slip stitch in its first stitch. The chain of 2 at the start of a round does not count as a stitch; work the first stitch into the stitch the round before was joined in.
- A post stitch is worked round the upright of the stitch below, from the front (FP) or from the back (BP), not into its top.
- Measure your dog round the widest part of the chest. Choose the size whose chest is nearest to that measure, and the smaller one if your measure is half way between two: the fabric gives. For a longer or shorter sweater add or leave out plain rounds in the part headed Length; added rounds take more yarn than is given here.

Instructions

Chosen: Small. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, hdc is half treble, FPhdc is front post half treble, BPhdc is back post half treble and sk is miss.

Cuff: make 2

Work each cuff round one leg opening. Round 13 skipped 7 stitches there and made a chain of 7 over them, and round 14 worked 7 hdc into that ch-7 space. Round 1 of the cuff has 14 places, with one half double crochet (UK half treble) in each: where it says each st, these 14 places are meant.

The lower edge: hold the sweater as it was worked, with the collar down and the right side toward you. Join the yarn with a slip stitch in the skipped stitch at the right. Work the first hdc in that same stitch and one in each of the other 6 skipped stitches. The upper edge: now turn the sweater round so that the collar is up and the ch-7 space is below the opening. The 7 hdc of round 14 hang down from that chain. Do not work into the chains; work 7 hdc over the chain, each in a gap beside one of those 7 stitches: put the hook through the fabric in the gap, under the chain, and up through the opening. Work one in each of the 6 gaps between two of those stitches, and the last in the gap after the last of them, at the corner. If a small hole is left at a corner, close it with the tail.

☐ **Foundation**	The edge of one leg opening, RS facing; join the yarn in the skipped stitch at the right; 14 places: the 7 skipped stitches, then 7 along the ch-7 space.	
☐ **Rnd 1**	Ch 2, hdc in each st around, sl st in first hdc to join	**(14 hdc)**
☐ **Rnds 2 to 4**	Ch 2, **[**FPhdc around next st, BPhdc around next st**] 7 times**, sl st in first FPhdc to join	**(7 FPhdc, 7 BPhdc)**

A box for each round, 2 to 4: tick them off as you go.

☐ **End**	Fasten off, leaving a tail of 6 in (15 cm).

Finishing

- Weave every tail in on the inside.

In all: 3 pieces; 1,762 stitches (1,650 in the body, 56 in each cuff); 6 ends to weave in.
