Gauge

16 stitches and 12½ rows to 4 in (10 cm) in griddle stitch.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 25. Row 1 (RS): Sc in 2nd ch from hook and in each ch across. Rows 2 to 19: Ch 1, turn; [sc in next st, dc in next st] 12 times. The swatch of 19 rows is about 6 in (15 cm) wide and 6 in (15 cm) high. Measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Waistband: single crochet rib, 17 rows to 4 in (10 cm). Single crochet (UK: double crochet) rounds of the edgings: about 18.5 to 4 in (10 cm). A round of shells (3 dc in one st): about 3/8 in (1 cm) high. The round of eyelets: about ½ in (1.3 cm) high.

Notes

- Women's sizes, by bust, waist and hip; both pieces are in one table. If your top and bottom sizes differ, take each piece from the sheet of its own size.
- The top is 1 in (2.5 cm) wider than the bust at each size. The shorts are 2½ in (6.5 cm) to 3 in (7.5 cm) wider than the hip, and their waistband must stretch to go over the hip; the cord then draws it in. No fit is promised beyond the measurements given.
- The top, the shorts, the legs and the edgings are worked in rounds that are not turned; the right side always faces you. The panels, the straps and the waistband are worked in rows that are turned.
- The chain at the start of a round (ch 1 for single crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of the round into the stitch at its base, where the round was joined.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- The turning chain of a row (ch 1) never counts as a stitch either: work the first stitch of every row into the first stitch.
- Griddle stitch: one single crochet and one double crochet in turn. Every single crochet goes into a double crochet of the round or row below, and every double crochet into a single crochet; in chains and chain spaces the two simply take turns. In rounds, one round begins with a single crochet (ch 1) and the next with a double crochet (ch 2); in rows, every row begins with a single crochet.
- Where the words say (sc, dc, sc) in next st or (dc, sc, dc) in next st, work all three into the one stitch: the round grows by two and the stitches still take turns.
- The waistband is in single crochet rib: row 1 is plain single crochet, and every row after it is worked in back loops only.
- A decrease counts as one stitch.
- The rounds of the top begin at the side under the left arm, as worn, and go across the front first. In rnd 1 of the top every chain of the ring is worked as a stitch. The front and the back of both pieces are alike; the cord is tied at the front of the shorts.
- Color changes in rounds: work the sl st that joins the round before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again within 6 rnds, carry it loosely up the inside at the join.
- In back loop only: insert the hook under the loop of the stitch that is farther from you, and leave the nearer loop free.
- Whip stitch: hold the two edges together, put the needle through both from back to front, bring the yarn over the edges and go in again from the back, one stitch along.

Assembly

1. Top, straps: lay the top flat with the front up. Bring each strap straight up over the shoulder, without twisting it, and with its own end whip stitch its last row to the 8 sts of row 9 of the back panel at the same end, 8 sts to 8 sts, so that the right side of the strap is outside.

2. Top, neck edging: work it now, as written above.

3. Top, armhole edging: work it now at both armholes, as written above.

4. Top, hem edging: work it now, as written above.

5. Shorts: thread the cord. Rnd 2 of the shorts has 68 chain spaces. Counted from the join, at the middle of the back, the middle of the front lies between spaces 34 and 35. Take one end of the cord from the outside in through space 35, out through the next space, and so on, in and out, all the way around; it comes out again through space 34. Even out the two ends, make a knot in each, draw the waist in and tie a bow at the front.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

In all: 3 pieces; 12,421 stitches.
