What you need

Yarn A: sand cotton, first band	**about 65 yd (59 m), an estimate**
Yarn B: aqua cotton, second band	**about 80 yd (73 m), an estimate**
Yarn C: white cotton, third band	**about 100 yd (91 m), an estimate**
Yarn D: coral cotton, fourth band	**about 105 yd (96 m), an estimate**

By weight: about 140 g in all, an estimate, where 100 g is 250 yd (229 m).

Fiber: cotton

Hook: 4 mm (US G-6). Also: yarn needle, scissors, tape measure and a piece of card 2¾ in (7 cm) long.

Before you start

- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.

Gauge

18 stitches and 10 rows to 4 in (10 cm) in the net of chain loops, where a ch-5 loop and its sc count as 4 stitches.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 6 the piece, laid flat, is about 2 3/8 in (6 cm) from the first row to the last. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another depth work one band more, or one fewer, on each side of the middle band, each with its ridge: one more on each side adds about 5 5/8 in (14 cm) to the top edge, about 2¾ in (7 cm) to the depth and 2 tassels, and there are 3 loops more in the middle. In the bands that grow every right side row of loops has one loop more than the one before it, and in those that narrow one loop fewer; a ridge has 4 sc for every loop and 3 more. Begin with the color that lets the bands run sand, aqua, white, coral, again and again, up to coral in the middle.

Finishing

- Tassels: make 17, each about 2¾ in (7 cm) long: 4 of yarn A, 4 of yarn B, 4 of yarn C, 5 of yarn D. For each, wind the yarn 16 times round a piece of card 2¾ in (7 cm) long, pass a 10 in (25.5 cm) piece of the same yarn under the loops at one end of the card and tie it tightly, leaving its ends long. Cut the loops at the other end. Wind another 10 in (25.5 cm) piece tightly round the tassel about 5/8 in (1.5 cm) below the tie, knot it and hide its ends inside. With the long ends of the tie sew one tassel of its own color to the lower end of every ridge, where its first row of sc begins and its second row ends (14 tassels), one of yarn D to the point, the lower end of row 60, and one of yarn A to each tip, the ring of row 1 and the last sts of row 119.
- Weave in the ends.

In all: 119 rows; 2,691 stitches.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Notes

- Right side rows are worked up, from the lower edge to the straight top edge, and wrong side rows down again. A loop is a ch-5 sp. The ch 2 and the dc at the end of a row of loops are its edge.
- Growing: every right side row of loops up to the middle of the middle band begins with (sc, ch 5, sc) in the first st, which makes one loop more at the lower edge. "Sk next ch-2 sp" passes over the space beside the edge.
- At the end of a row "dc in last st" goes into the sc that began the row below. An sc that stands between two loops of the row below is never worked into: the rows of loops go into the loops.

- The ridge: its first row has 1 sc in the edge dc, 1 sc in the ch-2 sp, 4 sc in every loop and 1 sc in the last sc; its second row has an sc in every sc. In the row of loops after it every sc goes into an sc of the ridge.
- Narrowing: every right side row of loops from the middle of the middle band on begins with ch 3, which counts as a dc, and no loop is made at the lower edge. The wrong side row after it ends with ch 2, sk next st, which passes over the sc beside the ch 3, and a dc in the top of the ch 3. The ch 3 stands on the first stitch of the row, so "sk next 3 sts" in the row after a ridge passes over the 2nd, 3rd and 4th.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- A ch 1 at the start of a row does not count as a stitch: "first st" is the stitch at its foot. A ch 5 and a ch 2 are always spaces, and so a row of loops has no turning chain of its own, apart from the ch 3 of the rows that narrow.
- Buy whole balls from one dye lot.
- About 42 in (106.5 cm) along the straight top edge and 20¾ in (53 cm) from the top edge down to the point, without the tassels. A row of loops is about 3/8 in (1 cm) of the top edge and a row of a ridge about ¼ in (0.5 cm). The longest rows have 23 loops, each about 7/8 in (2.5 cm) wide.
- 119 rows. There are 15 bands of loops, with a ridge of two rows of sc between every two: 7 bands that grow (6 rows each), the middle band (8 rows, rows 57 to 64, the first half of it growing and the second half narrowing) and 7 bands that narrow (6 rows each; the last has 5).
- The rows of loops of each color: yarn A (sand) rows 1 to 6, 33 to 38, 83 to 88, 115 to 119; yarn B (aqua) rows 9 to 14, 41 to 46, 75 to 80, 107 to 112; yarn C (white) rows 17 to 22, 49 to 54, 67 to 72, 99 to 104; yarn D (coral) rows 25 to 30, 57 to 64, 91 to 96. The ridges: rows 7 and 8 with yarn B, rows 15 and 16 with yarn C, rows 23 and 24 with yarn D, rows 31 and 32 with yarn A, rows 39 and 40 with yarn B, rows 47 and 48 with yarn C, rows 55 and 56 with yarn D, rows 65 and 66 with yarn D, rows 73 and 74 with yarn C, rows 81 and 82 with yarn B, rows 89 and 90 with yarn A, rows 97 and 98 with yarn D, rows 105 and 106 with yarn C, rows 113 and 114 with yarn B. Every ridge is in the color of the band next to it on the side of the middle.
