Gauge
24 stitches and 26 rounds to 4 in (10 cm)
In single crochet.

You will need

Yarn A: yellow, the middle of the daisy and the key loop	**about 5 yd (5 m), an estimate**
Yarn B: white, the petals	**about 10 yd (9 m), an estimate**
Yarn C: sky blue, the two circles	**about 50 yd (46 m), an estimate**

Fiber: cotton

Hook: 3.25 mm (US D-3), or the size that gives you the gauge. Also: sewing thread in sky blue, a sewing needle and pins, a key ring, four stitch markers, a yarn needle, scissors and a zipper 6 in (15 cm) long in white.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Special stitches

petal: Slip stitch in the loop named and chain 8. Going back along the chain, work 1 single crochet in the 2nd chain from the hook, 1 half double crochet (UK half treble) in the next chain, 1 double crochet (UK treble) in each of the next 3 chains, 1 half double crochet in the next and 1 single crochet in the last chain. Slip stitch in the loop the petal began in. It leaves 1 petal for the next row or round.

Gauge

24 stitches and 26 rounds to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 8 the circle should measure about 2½ in (6.5 cm) across, laid flat and not stretched. If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Before you start

- Begin with a magic ring: wind the yarn once round two fingers, put the hook through the ring, draw up a loop and chain 1 to hold it, which does not count as a stitch. Work round 1 into the ring, then pull the tail to draw the ring closed.
- The rounds are not joined: work in a spiral, and move a marker up to the first stitch of each round.
- The chain of 1 at the start of a row does not count as a stitch. Only the key loop is worked in rows.
- Where the pattern says BLO, put the hook under the back loop only; the front loop stays free on the right side, for the petals.
- To change color, draw the new yarn through as the last yarn over of the stitch before. Cut the old yarn at each change, leaving a tail of 6 in (15 cm).
- Whip stitch: put the needle through both edges from back to front, one stitch for each stitch or row, and draw the yarn snug.
- Backstitch: bring the needle up one stitch length ahead, go down where the last stitch ended, and so on, with no space between the stitches.
- Colors of the front, round by round. Rounds 1 to 2: A. Rounds 3 to 13: C. The petals are in B, the back in C and the key loop in A.

Instructions

Chosen: Small. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet and hdc is half treble.

Assembly

1. Draw the long tail of B to the wrong side of the front. With it, bring the needle up beside the tip of each petal in turn and take one small stitch over the tip, going from petal to petal on the wrong side, so that the petals lie flat. Weave in all the other tails on the wrong side.

2. On the last round of the front put one marker in the last stitch before the slip stitch and the other in the 36th stitch before it, so that 37 stitches lie from marker to marker, both counted. Do the same on the back with the other two markers. The zipper goes along these 37 stitches.

3. The zipper is 6 in (15 cm) long. Fold the tape beyond each of its ends under. Shut the zipper and lay it with the side that has the pull up. Lay the front on it with its right side up, so that the edge of the front, along the 37 stitches, lies on the

tape beside the teeth and the pull, shut, is at the marker in the last stitch of the round. Pin it. With sewing thread backstitch through the front and the tape along the line where the last round meets the round before it. Bend the zipper round with the edge as you go. Open the zipper all the way. With the same side of the other tape up, lay the back on it with its right side up, its 37 stitches beside the teeth, and sew it on in the same way. Take the markers out.

4. Open the zipper. Fold the key loop in half across, its two short ends together, and slip both ends between the front and the back, beside the end of the zipper where the pull stops when it is shut, so that two rows of each lie inside.

5. Put the two circles together with the wrong sides inside. Cut a length of C about 32 in (81.5 cm) long. Beginning beside the key loop with a tail of 4 in (10 cm), whip stitch the 41 stitches of the front that have no zipper to the 41 stitches of the back, stitch to stitch; over the first 3 stitches pass the needle through both ends of the key loop too, and go over them twice. Put the key ring on the loop.

Finishing

- Draw the two tails of the seam in between the two circles, weave them in on the inside and cut them.

In all: 3 pieces.
