Special stitches

dc2tog (double crochet 2 together): Yarn over, insert the hook in the next st, draw up a loop, yarn over, draw through 2 loops; do the same in the st after it; yarn over and draw through all 3 loops on the hook. It makes 1 st of 2. It leaves 1 dc for the next row.

Gauge

16 stitches and 18 rounds to 4 in (10 cm) in single crochet.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one. To check it as you go: after the last round of the sole, the sole is about 7 in (18 cm) long and about 2¼ in (5.5 cm) wide.

Before you start

- Measure the foot from the back of the heel to the tip of the longest toe and choose the size with the nearest foot length.
- The pattern makes a pair. The foot length is the length of the foot; the finished sole is about as long.
- The piece is worked from the sole up in one spiral: the rounds are not joined. Put a marker in the first stitch of each round and move it up every round.
- The right side always faces you and the work is not turned, except where a line says so.
- To change color, work the last stitch before the change until its last loops are on the hook, then draw the new color through them. A color that rests for 4 rounds or fewer can wait on the inside and be drawn up again; cut one that rests longer, leaving a tail of 6 in (15 cm).
- The figures in brackets at the end of a line are the stitches it has.

Instructions

Chosen: Child, foot 7 in (18 cm). Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
