Crocodile stitch shawl

Shoulder shawl · US terms

Finished size
About 48¾ × 21¾ in (124 × 55 cm)

Skill
Intermediate
Crocodile scales worked round posts, increases at both ends, treble V-stitches

Yarn
Light (3), 4 colors

Hook
5 mm (US H-8)

Gauge
15 stitches and 8 rows to 4 in (10 cm)
In double crochet.

You will need

Yarn A: bronze, point	**about 30 yd (27 m), an estimate**
Yarn B: old gold, second band	**about 75 yd (69 m), an estimate**
Yarn C: moss, third band	**about 115 yd (105 m), an estimate**
Yarn D: forest green, fourth band, V-stitch and top edge	**about 350 yd (320 m), an estimate**

Hook: 5 mm (US H-8), or the size that gives you the gauge. Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Special stitches

scale (crocodile scale): Worked on the right side, over a pair (dc, ch 1 and dc that stand in one place). Round the post (the upright part) of the first dc of the pair, with the hook going in from the front on one side of the post and out to the front on the other: 5 dc, the first at the top of the post and each lower than the one before, the last at its foot; ch 1; then round the post of the second dc, the same way, 5 dc, the first at its foot and each higher than the one before, the last at its top. It helps to tilt the work so that the post lies level. The ten dc stand in front of the work and cover the row below; the ch-1 sp between the two dc of the pair stays free behind them. To work into a scale in the next row, put the hook into that ch-1 sp of its pair. It leaves 1 scale for the next row.

Gauge

15 stitches and 8 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 10 the piece, laid flat and measured across the row from end to end, is about 8.3 in (21.1 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size work more or fewer rows of scales, each with its ground row: every ground row has one pair more than the ground row before, so the brackets go on growing by one. The first row of V-stitch then has one V-stitch in every stitch, and every later one two V-stitches more than the row below. Make about half as many rows of V-stitch as there are rows of scales. Give each of the four colors about a quarter of the rows of scales. One ground row with its scales adds about 1.6 in (4.1 cm) to the width and about 0.7 in (1.8 cm) to the depth; one row of V-stitch adds about 1.6 in (4.1 cm) and about 0.7 in (1.8 cm).

Before you start

- A ground row is worked on the wrong side and the row of scales after it on the right side. The scales hang with their rounded ends toward the point, over the row of scales before.
- From row 4 on, in a ground row the pairs stand in the sc of the row below and the single dc in its scales. Its first pair is worked into the same sc as the ch 4 it begins with, and its last pair and the single dc that ends it are worked into the last sc.
- In a row of scales, "sk next ch-1 sp" passes over the chain on either side of a pair. "Scale over next 2 sts" is worked over the two dc of the pair; nothing goes into the ch-1 sp between them. "Sc in next st" goes into the single dc.
- V-stitch: (tr, ch 1, tr) in one place. In the first row of V-stitch there is one V-stitch in every sc and one in every scale; in the later rows there is one in every ch-1 sp and one more at each end. The ch 5 at the start of these rows counts as a tr and a ch-1 sp and, with the tr in the same st, makes the first V-stitch. The stitch that closes over it in the next row goes into its 4th chain.
- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- The ch 4 at the start of a row counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.

- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 48.8 in (124 cm) across the top edge and 21.7 in (55.1 cm) deep.
- 53 rows: 20 rows with scales, which are rows 3, 5, 7 and so on to 41, 11 rows of V-stitch, rows 42 to 52, and one row of single crochet.
- Yarn A: rows 1 to 9, 12 and 13. Yarn B: rows 10, 11, 14 to 19, 22 and 23. Yarn C: rows 20, 21, 24 to 29, 32 and 33. Yarn D: rows 30, 31 and 34 to 53. Where two bands meet, two rows with one color stand among the rows of the other, so that the colors run together.
- Each row before a row with scales is its ground: pairs (dc, ch 1, dc in one place) for the scales, and a single dc before, between and after them. Row 2 has one pair and every later ground row has one pair more than the last.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, bronze; B, old gold; C, moss; D, forest green.
