What you need

Yarn A: moss green, main color	**about 670 yd (613 m), an estimate**
Yarn B: white, stripe	**about 150 yd (137 m), an estimate**
Yarn C: lemon, the daisy, round 1	**about 25 yd (23 m), an estimate**

By weight: about 650 g in all, an estimate, where 100 g is 130 yd (119 m).

Fiber: cotton

Hook: 6.5 mm (US K-10½), or the size that gives you the gauge. Also: a yarn needle, scissors, a tape measure, 4 stitch markers that open and about 12 pins and a non-slip rug mesh, cut about 1 in (2.5 cm) smaller all round than the mat.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 15 percent added.

Round lid	a lid about 14¼ × 16½ in (36 × 42 cm) and a tissue box 5½ in (14 cm) tall	27¼ × 18 in (69 × 46 cm), 14¼ × 16¾ in (36 × 43 cm)	about 825 yd (754 m)

Gauge

11 stitches and 12½ rows to 4 in (10 cm) in single crochet. Along a row, count every stitch and every chain between stitches as one.

Begin with the tissue box cover and check it there, when 4 rounds are done: laid flat, it is a square whose sides are about 4¾ in (12 cm) long. If it measures more, start again with a smaller hook; if it measures less, with a larger one. The lid cover is in half double crochet with the same hook: when its first 8 rounds are done it is about 6¾ in (17 cm) wide.

Notes

- The ch 1 at the start of a row or a round does not count as a stitch.
- Leave a tail of about 6 in (15 cm) when you begin, when you join a yarn and when you fasten off, unless another length is given. The ends that are not sewn with are woven in.
- When a ball runs out, work the last yarn over of a stitch with the new yarn, and leave a tail of about 6 in (15 cm) on both. In the rows do it in the last stitch of a row; in rounds any stitch will do.
- Stitches in parentheses are all worked into the one place named after them. "3 sc in next st" puts all 3 stitches in that one place.
- Magic ring: wind the yarn once round two fingers, put the hook through the ring and pull up a loop of the working yarn. Round 1 begins with this loop on the hook. Work round 1 into the ring, over both strands, then pull the tail to close it.
- In joined rounds, the first stitch of a round goes into the same stitch as the joining sl st (in round 1, the same chain). The joining sl st itself is not a stitch and is not worked into.
- To join a yarn with a sl st, make a slip knot of it on the hook, put the hook in the place named, yo, and pull through the place and the loop on the hook.
- To change yarn in rounds, make the joining sl st at the end of the round with the new yarn. Cut the old yarn, leaving a tail of about 6 in (15 cm), and leave a tail of the same length on the new yarn.
- A picot stands on the sc before it: after its sl st, go on with the next stitch. Pull the picots out with your fingers, so that all of them point outward.
- Use cotton yarn: it takes up water and it can be washed.
- Buy whole balls from one dye lot.

Edge of the mat

Yarns in order of use: A, moss green; B, white.

The edge goes along the last row, down the ends of the rows, along the foundation chain and up the ends of the rows, right side facing. 3 sc in one place turn a corner; in round 2 the (sc, picot, sc) goes into the middle one of the 3. The first st is the one at the right end of row 52 when the right side faces you, and round 2 begins in the first of the 3 sc of this first corner.

☐ **Foundation**	Work around the edge of the piece, right side facing: the 71 sts of the last row, the ends of the 52 rows, the 71 chs of the foundation, the ends of the 52 rows.	
☐ **Rnd 1**	Join A with sl st in first st, ch 1, 3 sc in first st, sc in next 69 sts, 3 sc in next st, sc in end of each of next 52 rows, 3 sc in next ch, sc in next 69 chs, 3 sc in next ch, sc in end of each of next 52 rows; join with sl st in first sc	(254 sc)

Lid cover

Yarns in order of use: A, moss green; B, white.

Round 1 goes all the way round the foundation chain. The chain nearest the hook is skipped and does not count as a stitch. Work along the chain to its far end, do not turn, and go on along the other side of the same chain, under the strands that are still free: "2 hdc in same ch" go into the far end chain, which already holds the 2 hdc of "2 hdc in last ch". The "2 hdc in last ch" at the end of the round go into the chain the round began in, beside its first 2 hdc.

The words in square brackets that are worked 2, 4 and 2 times make the two curved ends; "12 sts" is a straight side. A round that begins with an increase has both its stitches in the stitch of the join.

Round 17 is the last one of the top. Rounds 18 to 22 are the side, without increases. The ch-1 spaces of round 21 are for the cord.

All the rounds are worked without turning. The side that faces you as you work is the right side.

Tissue box cover

Yarns in order of use: A, moss green; B, white.

One piece from the opening down. Rounds 1 to 4 are the square top, and 3 sc in one place turn a corner: from round 2 on they go into the middle one of the 3 sc of the round before. In round 5 work into the back loop only: the front loops left free mark the edge of the top. Rounds 5 to 20 are the walls, and round 21 is the white edge. The side that faces you is the right side.

The cover is for a cube box about 4½ in (11.5 cm) square and 5½ in (14 cm) tall. For one 5 in (12.5 cm) tall, leave out rounds 19 and 20: work round 21 after round 18. The places of the daisies stay the same.

☐ **Foundation**	With A, ch 20, join with sl st in first ch to make a loop, without twisting the chain.	
☐ **Rnd 1**	Ch 1, **[**sc in next 4 chs, 3 sc in next ch**] 4 times**; join with sl st in first sc	(28 sc)
☐ **Rnd 2**	Ch 1, **[**sc in next 5 sts, 3 sc in next st, sc in next st**] 4 times**; join with sl st in first sc	(36 sc)
☐ **Rnd 3**	Ch 1, **[**sc in next 6 sts, 3 sc in next st, sc in next 2 sts**] 4 times**; join with sl st in first sc	(44 sc)

Daisy: make 20

Yarns in order of use: C, lemon; B, white.

Round 2: each group in parentheses is one petal and goes into one sc of round 1, the first one into the stitch of the join. Make the joining sl st of round 1 with white. Draw the yellow ring tight. The side that faces you as you work is the right side of the daisy.

☐ **Foundation**	With C, make a magic ring.	
☐ **Rnd 1**	Ch 1, 8 sc in ring; pull the tail to close the ring; join with sl st in first sc	(8 sc)
☐ **Rnd 2**	With B, **[**(sl st, ch 3, 2 dc, ch 3, sl st) in next st**] 8 times**; join with sl st in first sl st	(16 sl sts, 16 dc, 16 ch-3 sps)
☐ **End**	Fasten off, leaving a tail of about 16 in (41 cm) to sew with.	

Assembly

1. Weave in all the ends but the long tails of the 20 daisies. Wet the mat, lay it flat on a towel, pull the corners square and let it dry.

2. How a daisy is sewn on: lay it on its place, right side up, and with its tail sew round 1 to the piece under it, 8 stitches in a small ring, each through the back of one sc of round 1. Catch the piece under it firmly, fasten off on the wrong side and weave in the tail. The petals are not sewn: they stand up a little.

3. The mat, right side up, the last row at the top: eleven daisies in three lines. Counted from the right edge of row 1 and without the edge, the middles of the lower line are on the 9th, the 27th, the 45th and the 63rd stitch, on the line

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

between rows 10 and 11. The middle line has its three on the 18th, the 36th and the 54th stitch, between rows 26 and 27. The upper line is like the lower one, between rows 42 and 43. Pin them all and sew them on.

4. The lid cover, right side up: one daisy on the middle of the foundation chain. The other four lie on the line between rounds 10 and 11. Count the stitches of round 10 from its first one, where the round begins. Their middles are at four places: between stitches 10 and 11, between stitches 42 and 43, between stitches 62 and 63, and between stitches 94 and 95.

5. The tissue box cover: the middle one of each 3 sc of round 4 is a corner. Put a marker into each of the four, and a pin straight below it in round 12, 8 rounds down. On round 12 there are 12 stitches between two pins. A daisy goes on each wall, with its middle on the line between rounds 12 and 13, between the 6th and the 7th of the 12 stitches. Take the markers and the pins out.

6. The cord of the lid cover: with A, ch 225, about 82 in (208 cm) long, and fasten off, leaving a tail of about 6 in (15 cm) at each end. Round 21 has 80 ch-1 spaces. The rounds are joined at the middle of one short end of the oval: that end is the back, at the hinges. From the outside put the cord in at the first space of round 21, go out and in through all 80 spaces, round the front and back again, and come out to the outside at the last one. Knot each end and weave its tail back into the cord.

Finishing

- Lift the lid and draw the lid cover on from the front, the end with the joins at the hinges. Pull the cord tight under the lid and tie it in a bow between the hinges; tuck the bow under the edge. See that the lid with its cover still leans back far enough to stay up by itself.
- Draw the tissue box cover over the box, with the picots at the table, and pull the first tissue through the opening.
- On a smooth floor lay the mat on the rug mesh, so that it does not slide.

In all: 23 pieces.
