Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 1 every side of the size printed below, measured between its two corner stitches and not counting them, is about 4.6 in (11.7 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

To fit a piece of your own, work round 1 so that every side has n stitches between two corner stitches, the corner stitches left out, where n is any number (to gain a stitch work 2 sc in one place, to lose one skip a place; spread them along the side). Between two corners work n dc along each side in round 2, n + 4 dc in round 3 and n + 8 dc in round 4. What stands in the outer brackets, the corner and the side after it, is worked 3 times in every size. On an oblong piece the two longer sides have an n of their own: work each side by its own n. BABY BLANKET: the piece is 99 stitches by 115 rows: ch 100 to begin, row 1 ends with 99 sc, and rows 2 to 115 are worked in next 99 sts (99 sc). For the gauge, the 99 stitches between two corner stitches of round 1 are about 30.5 in (77.5 cm). Round 1: 97 sts, not 13, the bracket along the row ends 16 times, not 2, 97 chs, not 13; the round ends with 400 sc. Round 2: 99 sts, not 15; the round ends with 412 dc, 4 ch-2 sps. Round 3: 103 sts, not 19; the round ends with 428 dc, 4 ch-2 sps. Round 4: 107 sts, not 23; the round ends with 444 dc, 4 ch-2 sps. Yarn: A about 950 yd (869 m), B about 60 yd (55 m), C about 60 yd (55 m), D about 65 yd (59 m). THROW: the piece is 159 stitches by 185 rows: ch 160 to begin, row 1 ends with 159 sc, and rows 2 to 185 are worked in next 159 sts (159 sc). For the gauge, the 159 stitches between two corner stitches of round 1 are about 48.9 in (124.2 cm). Round 1: 157 sts, not 13, the bracket along the row ends 26 times, not 2, 157 chs, not 13; the round ends with 640 sc. Round 2: 159 sts, not 15; the round ends with 652 dc, 4 ch-2 sps. Round 3: 163 sts, not 19; the round ends with 668 dc, 4 ch-2 sps. Round 4: 167 sts, not 23; the round ends with 684 dc, 4 ch-2 sps. Yarn: A about 2,425 yd (2,217 m), B about 95 yd (87 m), C about 95 yd (87 m), D about 95 yd (87 m).

Before you start

- Every round is worked with the right side facing; do not turn. Round 1 begins in the right hand stitch of the last row (the top edge, RS facing), which is "first st"; it goes along the top, down the left side, along the foundation edge and up the right side.
- Corner stitch: the middle one of the 3 sc in a corner. The first corner of round 1 is begun with 2 sc and completed by the last sc of the round, which goes into the same place; its corner stitch is the first sc of the round.
- Along the row ends, round 1 skips the row end at each corner and then takes 6 stitches to every 7 rows. The foundation edge is the underside of the starting chain: work into what each chain has left free.
- A round that begins with "Join" is begun with a new yarn: fasten off the old one at the end of the round before. "First st" is then the stitch the round below began with, the corner stitch. "Any corner ch-2 sp" may be any of the 4 corners.
- Slip stitches and the stitch that joins a round are not counted.

- The ch 3 at the start of a round counts as a dc; with the dc that follows it, it is the first half of the corner the round began in: first the ch 3, then that dc, then the corner space. In the next round the last two stitches before that space therefore go into the top of the ch 3 and, after it, into the top of that dc.
- A ch 1 at the start of a round does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- Stitches in round brackets, or several of one stitch, are all worked into the one place named after them. The brackets at the end of a line hold its count.
- The yarn amounts are for this size. Yarn A is for the piece and round 1 of the border; where your own piece is finished already, round 1 takes about 10 yd (9 m) of it.
- The piece is 15 stitches by 17 rows of single crochet, about 4.6 in (11.7 cm) by 4.5 in (11.4 cm); with the border on it is about 8.6 in (21.8 cm) by 8.5 in (21.6 cm).
- Round 1 leaves 15 stitches between two corner stitches on every side.

Instructions

Chosen: Small square, with its border. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Yarns in order of use: A, silver gray; B, forest green; C, cream; D, cranberry.
