Gauge

14 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 2 the head measures about 1¾ in (4.5 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Rounds are worked with the right side facing; do not turn.
- Magic ring: wrap the yarn round two fingers, work the first round or row into the loop, then pull the tail until the ring is closed. Four chains joined into a ring with a slip stitch may be used instead.
- A chain 1 at the start of a round does not count as a stitch.
- Fasten off the old color, then join the new one with a slip stitch in the place named; the first stitch or chain of the line is worked in that same place.
- In a round of petals or points the last slip stitch falls in the stitch the round began in.
- Working along the other side of the chain: turn the piece round, not over, and work into the unused loops of the foundation chain, beginning in the chain next to the one just used.
- A petal or point is worked back along its own chain: begin in the chain named and work one stitch or group in each chain until none is left.
- At the start of a round, same st is the stitch the round before was joined in; after a new color is joined, it is the stitch the color was joined in.
- The figures in brackets at the end of a line count its stitches; slip stitches, and the chains at the sides of a petal or along a point, are not counted.
- The distances under FINISHING are for the yarn and gauge above; in another yarn make them larger or smaller in the same proportion as the size.
- Backstitch (sewn): thread the yarn needle and bring it up from the back one stitch length (about ¼ in, 0.6 cm, unless the line names another) along the line. Put it down at the start of the line and bring it up again one stitch length ahead of where it last came up; keep going down at the end of the stitch before and up one length ahead.
- French knot (sewn): bring the yarn needle up from the back, wrap the yarn twice round the needle close to the surface, hold the wraps and put the needle down beside the place where it came up. For a large knot use the yarn double and wrap it three times.
- The same words in another yarn make another size, measured straight across: fine yarn (2) and a 3.25 mm hook, about 3¼ in (8 cm); light yarn (3) and a 4 mm hook, about 3¾ in (10 cm); bulky yarn (5) and a 6.5 mm hook, about 6¼ in (16 cm).

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and hdc is half treble.

Finishing

- Block: pin the pieces to shape on a flat surface, spray them with water and let them dry.
- Sew the ears on the front, over the line where the head meets the mane, the middles of the two ears 2¼ in (5.5 cm) apart and 1 3/8 in (3.5 cm) above the middle of the head.
- Sew the muzzle on with its long side across the face, its middle 5/8 in (1.6 cm) below the middle of the head.
- With D, work a large French knot for each eye 3/8 in (1 cm) above the middle of the head, 1¼ in (3 cm) apart.
- With D, work three French knots close together near the top edge of the muzzle for the nose, two above and one below. Work the mouth in backstitch: one line ¼ in (0.6 cm) long straight down from the nose, then a curve 3/8 in (1 cm) wide up to each side.
- To sew the applique on, pin it where it is to go and sew round its edge with the long tail, under the outermost strands of the stitches.
- Weave in all the ends that are left with the yarn needle.

In all: 4 pieces; 206 stitches (144 in the head, 18 in each ear, 26 in the muzzle); 16 ends to weave in.
