### Special stitches

**beg-dc2tog (Beginning decrease):** Ch 2, dc in next st (counts as dc2tog). The join at the end of the round goes in the top of this dc. It leaves 1 dc2tog for the next row.

**picot (Picot):** Ch 3, sl st in the 3rd ch from hook. It leaves 1 picot for the next row.

**picot loops (Picot loop):** A picot loop is a chain, a picot and a chain between two stitches; it is counted as one. It leaves 1 picot loop for the next row.

## Gauge

**17 stitches to 4 in (10 cm)** in double crochet.

**Check your gauge on the piece.** Begin the pattern and measure the piece itself as you go. After round 4 the piece measures about 4 in (10 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

## Before you start

- Magic ring: wrap the yarn round two fingers, work the first round into the loop, then pull the tail to close it. Ch 4 joined into a ring with a sl st does as well.
- Every round is worked with the right side facing; do not turn.
- A beginning chain counts as the stitch in brackets after it. A ch 1 at the start of a round does not count as a stitch.
- When the next stitch or space of a kind is named, pass over anything else that comes before it. Work into a space round the chain, not into it.
- The sl sts at the start of a round carry the yarn to where the round begins; they are not counted.
- Join a new color with a sl st in the place named. Fasten off a color only where the round says so; where it does not, the same color goes on into the next round.
- This size is worked in DK weight cotton.

## Instructions

Chosen: DK cotton. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.
