Yarn B: red, inner and outer edge **about 80 yd (73 m), an estimate**
Yarn C: white, middle of the edge **about 80 yd (73 m), an estimate**
Hook: 5 mm (US H-8), or the size that gives you the gauge. Also: yarn needle, scissors, tape measure and a stitch marker.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Gauge

15 stitches and 17 rows to 4 in (10 cm) in single crochet through the back loops.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 10 the piece, laid flat and measured straight across from tip to tip, is about 11.8 in (30 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size than these, work an even number of rows of yarn A more or fewer, and then always the same last eight rows: 2 of red, 4 of white, 2 of red. The stitches of a row go by its number and not by its yarn, so the rows you add or leave out change the yarns and not the stitches of the printed rows. After the last printed row go on by this law: the two numbers of BLO stitches in a row are alike; in an even row each is 3 more than in the row before it, with 1 sc in the center stitch; in an odd row each is 2 more than in the row before it, with 3 sc in the center stitch. (Row 60 has 146 and 146; row 61 would have 148 and 148.) Two rows add 10 stitches, about 2.4 in (6.1 cm) from tip to tip and about 0.5 in (1.3 cm) to the depth of the back.

Before you start

- BLO means back loop only: the loop that is farther from you as you look at the row you are working. The first stitch, the last stitch and the center stitch of every row are worked under both loops.
- The center stitch: in row 1 and in every odd row it is the middle one of the 3 sc worked in the middle of the row (in row 1, the 3rd of the 5 sc). Put a marker in it. In an even row the single sc worked into the marked stitch is the new center stitch: move the marker to it. In an odd row the 3 sc go into the marked stitch: move the marker to the 2nd of them.
- From row 2 on every row has 3 sc in its first and 3 sc in its last stitch. An odd row also has 3 sc in the center stitch, so it has 6 stitches more than the row before; an even row has 4 more.
- A ch 1 at the start of a row does not count as a stitch.
- Where several stitches have one place after them, as in "3 sc in next st", they are all worked into that one place.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- Measured straight across from tip to tip it is about 70.6 in (179.3 cm) wide, without the ties. Down the middle, from the ring to the point of the back, it is about 16.3 in (41.4 cm) deep. Each half of the top edge, from the ring to a tip, is about 35.5 in (90.2 cm) long, and with its tie about 51.5 in (130.8 cm).

- To choose a size, measure from the middle of the back of the neck over one shoulder, across the chest to the other side of the waist, and round to the middle of the back. Choose the size whose half of the top edge, from the ring to a tip, is nearest to that length: S to M about 35.5 in (90.2 cm), L to XL about 40.3 in (102.4 cm), 2X to 3X about 46.2 in (117.3 cm). The ties add the rest.
- 60 rows. Yarn A (gray): rows 1 to 52. Yarn B (red): rows 53 and 54. Yarn C (white): rows 55 to 58. Yarn B: rows 59 and 60.

Instructions

Chosen: S to M. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch and sc is double crochet.

Yarns in order of use: A, heather gray; B, red; C, white.

Finishing

- Ties: work two, one at each tip, in yarn A. With the right side facing, join yarn A with a slip stitch in the first stitch of row 60 for the first tie, and in the last stitch of row 60 for the second. Chain until the chain is about 16 in (40.6 cm) long, work a slip stitch in the 2nd chain from the hook and in every chain back to the shawl, work one slip stitch more in the stitch you joined in, and fasten off. Each tie has two ends to weave in.
- Weave in the ends.

In all: 60 rows; 9,120 stitches.
